## **APPLICATIONS FOR OCCASIONAL LICENCES – PEKING COTTAGE, 557 GLASGOW ROAD, HARDGATE, CLYDEBANK**

OL/488	9 February 2012 – 23 February 2012
OL/489	24 February 2012 – 9 March 2012

Having heard the Depute Clerk to the Licensing Board, it was noted:-

- (a) that in view of the letter of objection from Strathclyde Police, both a representative of the licence holder and a representative of the Police authority had been invited to attend the meeting in order that a Hearing could take place;
- (b) that Mrs Suet Fan Chan, the applicant, was in attendance and was represented by Ms Joanna Brynes, Young & Partners Solicitors;

Thereafter the Board noted that the LSOs had no formal comment to make in relation to the application.

Ms Brynes was then given the opportunity to address the Board in support of the applications for Occasional Licences and the circumstances relating to the withdrawal of the Application for a Premises Licence in the name of Calum Chan, the son of co-owners Mr and Mrs Chan, at the meeting of the Licensing Board held on 8 November 2011. It was noted that there would be a subsequent application for a Premises Licence submitted to the next meeting of the Board by the current owners, Mr and Mrs Chan. Ms Brynes advised that Mrs Chan was now very careful in carrying out the required checks on the eligibility of staff to work in the UK and only employed staff who could provide a residency permit. Ms Brynes then answered questions from Members, advising that the business was struggling in the absence of an alcohol licence and that it was anticipated that the Occasional Licences would enable the premises to sell alcohol until an Application for a Premises Licence was granted by the Board.

Following discussion, the Board agreed:-

- (1) to grant the Applications for Occasional Licences given the special circumstances relating to the withdrawal of the Application for a Premises Licence in the name of Calum Chan at the meeting of the Licensing Board held on 11 November 2011;

Mr Robertson was then given the opportunity to address the Board in support of Mrs Akbar retaining her Personal Licence and advised of the steps taken by Mrs Akbar to prevent any future underage sales of alcohol following the four months suspension of the premises licence.

After consideration and having heard the Depute Clerk to the Licensing Board in further explanation of the report, the Board agreed:-

- (d) that Sergeant Stewart and Mrs Karen Queen were in attendance on behalf of the Chief Constable, Strathclyde Police.

It was noted that there were no preliminary issues which required to be addressed.

The Board then heard from Sergeant Stewart who provided an update on the trial date set for the pending case against the shop assistant, Mr Mohsam Mahmood, following the sale of alcohol to an underage person at the licensed premises on 25 May 2011. It was noted that a trial date of 29 March 2012 had been set.

The Board then heard from Lawrence Knighton, LSO who provided an update in terms of Section 38(4)(a) of the Licensing (Scotland) Act 2005 following the request for a review of the licence.

Mr Knighton was then heard in answer to questions from Members concerning the presence of a blank training record at the premises in October 2011 which had been signed by another Personal Licence Holder unconnected to the premises. It was noted that a training manual for Mr Arshed, which had been previously unavailable, was made available at the LSO inspection visit on 1 February 2012 and had been signed on the same date as the blank training manual. Mr Knighton was also heard in response to questions concerning the lack of evidence to suggest refresher training had been carried out at the premises since. Mr Knighton was also heard in response to questions concerning refresher training and advised that there was a lack of evidence to suggest refresher training had been carried out at the premises since.

Mr Afzal was then heard in answer to questions from Members concerning the refresher training undertaken by staff at the premises. Mr Afzal advised that refresher training was undertaken by staff following a 3 or 4 month period following the initial training and that, in future, he would keep a written record for all refresher training undertaken by staff.

A copy of the Workbook for Staff of Licensed Premises completed for Mr Arshed was distributed to staff.

Thereafter, the Board agreed that a written statement from Mrs Linda Gallagher, stating that she had trained one member of staff at the premises and had not signed a blank training record, was circulated to members for information.

At the request of Councillor Black, Mr Afzal then provided the Training Workbook for Mr Syed.

Following questions concerning the originality of the signature on the workbook, a note of Mrs Gallagher's signature on her written statement was compared with that on Mr Arshed's Training Workbook and it was agreed by Members of the Board that it was the same signature on both documents.

- (a) that the premise licence holder had failed to attend the Review Hearing for non payment of annual fees held on 8 November 2011 when the Board agreed (i) to suspend the premises licence until the annual fee was paid or until this meeting of the Board, whichever was earlier; and (ii) that if the annual fee remained unpaid, the licence holder would be cited to attend a further premises licence review hearing at this scheduled meeting of the Board;
- (b) that the annual fee for the premises remained unpaid;

Following discussion and having heard the Depute Clerk in answer to Members' questions, the Board agreed:-

- (1) to continue the Review Hearing to the next meeting of the Board in order to give the licence holder a further opportunity to attend the Hearing; and
- (2) that Environmental Health Officers be instructed to pursue the licence holder given the impact of closure of the premises on the regeneration of the area and thereafter attend the Board meeting.

- (a) that the premises licence holder had been cited to appear before the Board in order to explain the late payments and was in attendance at the meeting; and
- (b) that the annual fee for the premises had now been paid;

The Board then heard from Ms Jan Watson, Premises Licence Holder, who explained that she had taken over responsibility for the premises in January 2011 at a time when she was experiencing problems with delivery of mail from Royal Mail. She advised that she was now at a new postal address and no longer had difficulties receiving mail. She further advised that she was aware of her responsibilities in this regard and would ensure future payments were made within the required timescale.

### **DECLARATION OF INTEREST**

Councillor R. McColl declared a non-financial interest in the undernoted item, being a member of NHS Greater Glasgow and Clyde Health Board and the Chair of West Dunbartonshire Community Health and Care Partnership given that an objection had been submitted in relation to the application from West Dunbartonshire Community Health and Care Partnership. Councillors Brown and J. McColl also declared a non-financial interest in the undernoted item, being members of the Community Health and Care Partnership.

The Depute Clerk advised the Board that the objection was from West Dunbartonshire Community Health and Care Partnership, which was a Sub-Committee of West Dunbartonshire Council and was not from NHS Greater Glasgow and Clyde. He also advised that the objection had been submitted by a sub-group of officers, without reference to the Sub-Committee. Accordingly, Members of the Board had no involvement in making the objection in their role as councillors. It was noted that the Council was a competent objector and there was no requirement on the Board Members to declare an interest and leave during consideration of the item solely because they were also councillors. All three Members intimated that they would remain in the meeting during consideration of the application and would take part in any decision.

#### **(b) WDLBPREM/0126**

Name and Address of premises: Marks and Spencer Simply Food, St. James Retail Park, Dumbarton G82 1RB

Applicant/Licence Holder: Marks and Spencer Simply Foods Limited, Waterside House, 35 North Wharf Road, London W2 1NW

Having heard the Depute Clerk, it was noted:-

- (a) that in view of the letter of objection from the Clinical Director, West Dunbartonshire Community Health and Care Partnership, a representative of the Partnership had been invited to attend the meeting in order that a Hearing could take place;
- (b) that Ms Linsey Burnett, Store Manager was in attendance and was represented by Mrs Audrey Junner, Hill Brown Solicitors;
- (c) that Ms Helen Weir, Strategy Manager/Alcohol and Drug Partnership Lead was in attendance on behalf of the objector;

- (d) that the proposed variation involved a change to the Operating Plan to increase the alcohol display area from 28.4 m<sup>2</sup> to 46.23 m<sup>2</sup>;
- (e) that a copy of the current and proposed layout plans for the store were distributed to Members at the meeting;
- (f) that a copy of the statistics for alcohol related crimes, police incidents, deaths and hospital admission across 18 areas of West Dunbartonshire and compared to the Scottish or Strathclyde average, based on evidence gathered for the Overprovision Assessment, plus updated health statistics considered by the Board in 8 November 2011, were provided to the applicant prior to the meeting of the Board; and
- (g) that there were no preliminary issues raised.

The Board then heard from the Depute Clerk who outlined the procedure which the Hearing would follow.

The Board heard from Ms Weir in relation to the objection. It was noted that the objection had been submitted by a Sub Group of the West Dunbartonshire Alcohol and Drug Partnership, consisting of health care professionals, and had been established to consider licensing applications. It was noted that the grounds of the objection, whilst not directly contradicting the West Dunbartonshire Overprovision Statement, was that an increase in the capacity of the alcohol display area by almost two thirds impinged on the spirit of the Policy. Ms Weir advised that the adverse affects that an increase in capacity could have on the health of the local population were significant and as such the application should be refused.

The Board heard from the Depute Clerk who advised that in terms of Paragraph 26 of the Board's Licensing Policy Statement, the Board would expect applicants who are seeking to increase the capacity of an existing premises licence, to provide robust and reliable evidence on why the benefit to the licensing objectives through the grant of the application would outweigh the detriment to the licensing objectives. The Board would welcome being addressed on this, having regard to the statistics gathered during preparation of the Board's Overprovision assessment and subsequently, as circulated under item (f) above. In particular, the Board would expect to be addressed on the benefits of granting the application in terms of each licensing objective.

The Board then heard from Mrs Junner who addressed the Board in support of the application. It was noted that Marks and Spencer were looking to extend the range and choice of wines available to customers in the area and that such products would be neither cheap nor attractive to young persons and thus would not affect the public safety, crime or disorder in the area. She accepted the health issues arising from national and local statistics but submitted that the issue was related to problem drinkers. The price at which her clients would sell alcohol meant that it was not aimed at this group. Thus Marks and Spencer's request for an increase in capacity did not have a detrimental impact on the licensing objectives. However it was hard to produce any statistics which showed a benefit to the licensing objectives.

Thereafter, Mrs Junner answered questions from Members in relation to the layout plan for the store and concerning the proposed increase in capacity of alcohol display area from 8% to 14% of the overall store. She confirmed that the aim was to increase sales of alcohol to levels at other Marks and Spencer stores. Board members expressed concerns that the application would increase both the availability and volume of sales of alcohol in West Dunbartonshire. They also expressed concern that alcohol related health problems were not solely limited to problem drinker nor class/income band. They noted that in terms of the Board's Policy no robust or reliable evidence had been submitted to suggest any benefit to the licensing objectives, particularly the health objective.

After consideration and having heard the Depute Clerk in response to questions from Members, Councillor R. McColl, seconded by Councillor J. McColl moved the undernoted motion:-

To refuse the proposed increase in the alcohol display area under Section 23(5)(c) of the Licensing (Scotland) Act 2005 on the grounds that:-

- (1) the Licensing Board considers that the granting of the application would be inconsistent with the licensing objective of protecting and improving public health as detailed at Section 4 of the Licensing (Scotland) Act 2005; and
- (2) that, having regard for the Licensing Policy Statement, the applicant was unable to provide robust and reliable evidence to the Board on why the benefit to the licensing objectives through the grant of the application, outweighed the detriment to the licensing objectives, particularly the health objective and accordingly the application was contrary to the Board's Licensing Policy Statement.

Thereafter, the Board considered a request from the applicant to amend the application in order to reduce the alcohol capacity requested in the application to 35.18m<sup>2</sup>.

## **ADJOURNMENT**

Having heard the Chair, Councillor J. Brown, the Committee agreed to adjourn for a period of 10 minutes.

The meeting reconvened at 12.40 p.m. with all those Members shown on the sederunt in attendance. The Board then allowed the applicant to amend the application.

Thereafter, Mrs Junner, on behalf of the applicant was given a further opportunity to address the Board on the merits of the amended application and was heard in answer to questions from Members. In particular, Mrs Junner was asked to provide robust and reliable evidence to the Board about the benefits to the licensing objectives of the amended application. Mrs Junner advised that it was difficult to provide clear statistical evidence to counter the negative health data.

Following discussion and having heard the Depute Clerk in clarification of the reasons for refusal, Councillor R. McColl, seconded by Councillor J. McColl, moved the same motion as detailed above. The Board unanimously agreed the motion previously moved by Councillor R. McColl in respect of the application.

Thereafter the Board agreed to accept Mrs Junner's request for a Section 32 Direction to enable the application to be re-submitted to a future meeting of the Board.
