The steps in the procedure are:-

1. Check whether applicant and/or agent and objectors are present. If there are a large number of objectors, a signing in sheet might be circulated around them.

4. Hear from Licensing Standards Officer and hear from Environmental Health and Planning if required.
5. Opportunity for applicant, then objectors, followed by Board Members and their advisor to put questions to LSO and any other party as above.
6. Hear from objectors in turn.
7. Opportunity for applicant to ask questions of objectors through the Chair, followed by questions from Board Members and their advisor.

Question 5

The applicant Company (Iceland) have been trading and operating Off-Licensed premises since 1970. They currently operate c. 800 stores across the United Kingdom and employ around 25,000 people.

Iceland is a Grade 1 accredited training and examination provider for the SCPLH and SCPLHR qualifications.

Comprehensive written organisational policies are implemented throughout the business and, where necessary, appropriate legal, security, HR, health and safety or other professional advice is available to all staff via support departments based within the Company Head Office at Deeside.

Of particular relevance to this application is that Iceland operates a "Challenge 25-Serve 18" policy that is formally trained, recorded and refreshed to all front-line staff. This policy, in conjunction with both an automated electronic till prompt that alerts when any alcoholic products are scanned and a written record of sales refusals helps to ensure that any risks to Children and Young Persons from our operations are minimised.

Licensing Standards Comments:

Licensing Standards Officers have consulted with the Building Standards, Environmental Health and Planning Sections. No negative comments in relation to this proposal were received.

Therefore, it is advised that, in principle, these temporary premises appear to be suitable for the sale of alcohol.

The Building Standards comment states the following:

“Prior to occupation/opening of the shop an inspection will be carried out with a view to issuing a Notice of Acceptance of Completion Certificate”

Therefore, it is recommended that the licence, if granted, should not be released to the applicant until such time as the Completion Certificate is issued.
