Dear David,

RE: REVIEW OF TAXI FARES

Due to the frequent rises on the price of fuel (24% in the last 12 months), we feel we must ask for an increase on taxi fares to compensate for these increases. We are asking for the following changes:-

TARIFF ONE

for each additional 1/15th mile at 10p - £1.50 to be changed to
for each additional 1/17th mile at 10p - £1.70

TARIFF TWO

for each additional 1/16th mile at 10p - £1.60 to be changed to
for each additional 1/18th mile at 10p - £1.80

TARIFF THREE

for each additional 1/17th mile at 10p - £1.70 to be changed to
for each additional 1/20th mile at 10p - £2.00

We look forward to hearing from you.

Yours sincerely,

D. Miller
