2	<p><u>Outline of any issues/risks and how these are being managed</u></p> <p>No current issues or risks to report</p>
---	-----------------------------------------------------------------------------------------------------------------------

3	Outline of the main outputs expected before next meeting
---	----------------------------------------------------------

Work is being taken forward to develop the 2023/4 DIG workplan, themed around the 3 priorities. A refresh of DIG membership is also being taken forward due to personnel changes across a number of partner agencies in the last quarter.
-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

4	What are your requirements of partners in the Community Planning Management Board to achieve the outcomes of the DIG?
---	-----------------------------------------------------------------------------------------------------------------------

No current requests
