## **MINUTES OF PREVIOUS MEETING**

The Minutes of Meeting of the Committee held on 20 May 2009 were submitted and approved as a correct record subject to clarification on the undernoted item:-

With reference to the Minutes of Meeting of West Dunbartonshire Council held on 24 June 2009 (page 2036 refers), when the Minutes of Meeting of the Community Participation Committee held on 20 May 2009 were submitted and all decisions contained therein were approved with the exception of the item under the heading 'Presentation on Social and Economic Profile' whereby the Council agreed that the issue of Councillor Black's request for additional information to be included in the Profile concerning sex offenders be referred back to the Committee to clarify if the Committee agreed with this request.

Following discussion and having heard Councillor Robertson, the Committee agreed that the Minute should remain as it stood, that is, Councillor Black's request was noted.

The Committee noted that Brenda Pasquire, West Dunbartonshire Citizens' Advice Service, had requested a copy of the Social and Economic Profile. It was also noted that this would be sent to all members of the CPC.

## **WEST DUNBARTONSHIRE COMMUNITY PLANNING PARTNERSHIP - UPDATE**

A report was submitted by the Chief Executive providing an update on key developments within West Dunbartonshire Community Planning Partnership (CPP).

Having heard the Head of Service, Policy and Performance, in further explanation and in response to Members' questions, the Committee agreed to note:-

- (1) that the next Board meeting has been postponed from 10 August and would now be held on 24 August 2009 at 10.00 a.m. in the Beardmore Hotel and would be open to the public;
- (2) that the outcomes from the Board meeting would be reported to the Community Participation Committee; and
- (3) that the Single Outcome Agreement had now been formally signed by the Cabinet Secretary for Education and Life-Long Learning and the Community Planning Partners in West Dunbartonshire.

Following discussion regarding the closure of the community resource bases, Councillor Rooney, seconded by Councillor Millar, moved:-

This Committee notes the report on West Dunbartonshire Community Planning Partnership – Update.

Committee also notes that a number of ring fenced funding streams had been combined by the Scottish Government to create the Fairer Scotland Fund.

Committee is deeply disappointed that the first act of the Scottish Government was to cut the Fairer Scotland Fund allocation in West Dunbartonshire by a massive £500,000.

Committee notes that this funding reduction trend has continued and the West Dunbartonshire Fairer Scotland Fund was cut by a further £439,000 in 2009/10 and the Scottish Government intends to cut this funding by a further £400,000 in 2010/11.

This Committee is concerned that an overall cut of £1.4million over three years is presented as “fairer” to the communities of West Dunbartonshire.

Committee also notes that the funding cuts had forced the closure of the Community Resource Bases which resulted in the loss of experienced staff, who provided vital community services to community groups throughout West Dunbartonshire.

Committee notes the progress made in relation to the signing of the Single Outcome Agreement. However the limited community involvement in the process remains a concern.

This Committee agrees that the Community Planning Partnership Board and the Community Forums should be properly consulted and be involved in decision making at the earliest possible stages.

As an amendment, Councillor Robertson, seconded by Councillor J. McColl, moved:-

That this Committee accepts the recommendations in paragraphs 7.1 and 7.2 of the report (as shown below):-

- 7.1 The CPP has made progress on a number of fronts during recent months, most particularly,
- the implementation of new staffing structures;
  - the submission of the SOA;
  - the development of a revised, strategic approach to the use of FSF; and
  - the review of support for Community Engagement.
- 7.2 Members are requested to note the developments within the CPP, and to identify any further information if required.

On a vote being taken, 14 Members voted for the amendment and 5 Members voted for the motion. Accordingly the amendment was declared carried.

Following discussion, the Committee agreed:-

- (1) to note the developments within the Community Planning Partnership; and
- (2) otherwise to note the contents of the report.

### **NATIONAL DELIVERY REFORMS: CHANGES TO WEST DUNBARTONSHIRE STRATEGIC ADDICTION STRUCTURES**

A report was submitted by the Executive Director of Social Work and Health providing information on a review of Alcohol and Drug Action Teams (ADAT's) across Scotland and how those findings have translated into new local structures.

Helen Weir, Strategy Officer – Addiction Services, was heard in further explanation and in response to Members' questions.

Following discussion, the Committee agreed:-

- (1) to note that the new local structure, Alcohol and Drug Partnerships (ADP's) are multi-agency partnerships which will be firmly based within and accountable to community planning structures;
- (2) to note that proposed membership of the local ADP should include involvement from the community;
- (3) to note that community representatives on the CPC should go back to their own groups to confirm if anyone wished to be considered for membership of the local ADP;
- (4) to note that community representatives would require training and support as this is such a specialised field;
- (5) to note that any group interested should contact the Strategy Officer - Addiction Services direct by the middle of September; and
- (6) to request an annual report and presentation to the Community Participation Committee and to receive updates about addiction related issues as appropriate.

### **REGENERATION OF THE SCHOOLS' ESTATE - UPDATE**

With reference to the Minutes of Meeting of the Committee held on 23 March 2009 (page 1834 refers), submit report by the Executive Director of Educational Services providing an update on progress of the regeneration of the Schools' Estate.

Having heard the Manager of Educational Estates in further explanation and in answer to Members' questions, the Committee agreed:-

- (1) to note that the three secondary schools within the PPP project were delivered on schedule and work was proceeding on the demolition of the old school buildings in preparation for the construction of playing fields, other external works and the new St. Eunan's Primary School and Early Education and Childcare Centre;
- (2) to note that work had commenced on the new Bonhill and Goldenhill primary schools;
- (3) to note that the information consultation process on "Phase 2" of schools' regeneration, had concluded and recommendations on the future shape of the schools' estate would be presented to Council on 30 September 2009;
- (4) to note that the next report on the schools' regeneration would be submitted to the Community Participation Committee Meeting scheduled for 16 December 2009;
- (5) to note that an Open Day for the new schools would be held for members of the public, probably during October, and Members were encouraged to take advantage of the invitation to see round the schools;
- (6) to note that the Manager of Education Estates would organise a visit to the new schools for Members of the Community Participation Committee;
- (7) to note that it was hoped Dumbarton Academy would be included in the September announcement by the Scottish Government; and
- (8) otherwise to note the contents of the report.

### **WEST DUNBARTONSHIRE CITIZENS' PANEL**

A report was submitted by the Chief Executive providing information on the operation of the West Dunbartonshire Citizens' Panel during 2008-2009.

- (3) otherwise to note the contents of the report.

### **CHANGE OF AGENDA**

The Committee noted that, due to unforeseen circumstances, the presentation on Gender Equality – Men's Health, would not take place but had been replaced with the presentation on Tenant Participation Strategy, as follows.

Having heard the Section Head – Policy and Performance, the Committee agreed to send best wishes to Bobby Jones, Lead Officer – Public Health, for a speedy recovery.

The main points covered in the presentation were:-
