Project Description

To enhance the cash receipting system in the way payments are made and allocated to back office

by increasing the level of security that is required for online payments made by customers

Project Manager Karen Shannon Chief Officer Laurence Slavin

Project Lifecycle Planned End Date 30-Sep-23 Forecast End Date 30-Sep-23

### Main Issues / Reason for Variance

Budget rephased to 2022-23 as this is a number of mini projects and the first part is the version upgrade which is actively progressing. After this upgrade we can move onto other enhancements which are anticipated to finish in September 2023.

#### Mitigating Action

None required at this time.

### **Anticipated Outcome**

Enhancements to the cash receipting system including PCI compliant telephone payment system.

PERIOD END DATE

31 January 2022

Project Manager	Adrian Gray					
Chief Officer	Laurence Slavin					
Project Lifecycle	Planned End Date	31-1	Mar-22	Forecast End Da	ate	31-Jul-22
Main Issues / Bassen for Va	wienee					

Main Issues / Reason for Variance

Delays in completion of required data cleansing prior to the upgrade have caused the start of the upgrade to be deemed to close to the financial year end to risk disruption to preparation of the draft final accounts. The upgrade will be delayed until the Summer when the draft accounts have been completed.

### Mitigating Action

None possible at this time.

### **Anticipated Outcome**

Development of Agresso system later than originally anticipated but within original budget.

Legal Case Management Sy	stem					
Project Life Financials	33	0	0%	33	0	0%
Current Year Financials	33	0	0%	0	(33)	-100%
Project Description	Legal Case Management System					
Project Manager	Alan Douglas					
Chief Officer	Peter Hessett					
Project Lifecycle	Planned End Date		31-Mar-22	Forecast End Date		31-Mar-22
Main Issues / Reason for Va	riance					

Budget has been rephased from 2020/21. The project could not proceed as originally planned as Officers are required to access the office and hardware the system will run on and COVID-19 restrictions have prevented this. The project will have to go back out to tender following the upgrade to Microsoft 365. The project will not be completed in this financial year.

### **Mitigating Action**

Legal to discuss impact of Microsoft 365 with ICT.

# **Anticipated Outcome**

Project to be completed in 2022/23 assuming return to office and with the support of ICT.

Project Life Financials

Project Lifecycle Main Issues / Reason for Variance

Estimated spend in 2021/22 now less than was anticipated for the projects across West Dunbartonshire Town Centres and strategic sites. Much of this is outwith the Council's control, including for example the development timeline for the Mitchell Way developer, delays to external funding timescales for Dumbarton projects, and inter-dependencies with other projects. Forecast has been reduced in relation to further slippage of LED funding towards Smollett Fountain public realm works as we await confirmation of the programme from the contractor. At this stage it is anticpated that £0.506m will need to be carried forward as projects slip into next financial year.

#### Mitigating Action

None available at this time.

# **Anticipated Outcome**

Improved town centres and strategic sites across West Dunbartonshire.

Regeneration Fund						
Project Life Financials	9,782	4,884	50%	9,782	0	0%
Current Year Financials	1,299	332	26%	6 481	(818)	-63%
Project Description	Funding to implement n	najor regeneratior	projects I	linked to community ch	narrettes.	
Project Manager	Gillian McNamara/ Mich	nael McGuinness				
Chief Officer	Peter Hessett					
Project Lifecycle	Planned End Date	3	1-Mar-24	Forecast End Date		31-Mar-24
Main Issues / Reason for Va	riance					

The agreed contribution of £0.475m towards the commercial units has been transferred to the project lead Service, Housing. The marine technology park at Carless (SMTP) £2m grant has been approved, an agreement is being finalised and the expenditure anticipated is on track. Design development of Glencairn House underway but spend this financial year will be drawn from LUF first, and the Regen Fund contribution of £1M will carry forward. Further updates will be provided as the year progresses. Waterfront Path spend will slip as discussions with landowners continue.

#### Mitigating Action

Programme management approach to delivery.

# **Anticipated Outcome**

Progress towards delivery of planned projects from Economic Development Strategy and Charrette Action Plans albeit later than originally anticipated.

PERIOD END DATE 31 January 2022

PERIOD 10

Project Description

Scottish Government Funding to establish a Place-Based Investment Programme to ensure that all

place based investments are shaped by the needs and aspirations of local communities.

Project Manager Gillian McNamara/ Michael McGuinness

Chief Officer Peter Hessett

Project Lifecycle Planned End Date 31-Mar-23 Forecast End Date 31-Mar-23

# Main Issues / Reason for Variance

IRED Committee has approved three projects Titan Boulevard, Bruce Street public realm and a contribution to the Town Centre projects the latter proposed spend of £0.061m expected to slip into next financial year. Titan Boulevard is being delivered by Wheatley Group and we are advised that it will not be completed until Summer 2022, therefore a further £0.58M will require to be carried forward to 22/23. Roads Service-led Bruce St project will also slip into next financial year, anticpated to be completed by May.

### Mitigating Action

Programme involves expenditure over a number of projects led by different services. Regular reporting between services will help early identification of risk.

### **Anticipated Outcome**

Place-based improvements that advance Scottish Government's priorities of 20 min neighbourhoods and carbon zero.

PERIOD END DATE

31 January 2022

Chief Officer	Peter Hessett					
Project Lifecycle	Planned End Date	3	1-Mar-22	Forecast End D	ate	30-Jun-23

#### Main Issues / Reason for Variance

This capacity funding was awarded by UK Government to assist with development of LUF bids. WDC will be awarded LUF and the capacity funding will be used in part to produce Artizan Centre Redevelopment Options. There is scope for Roads/Transportation to use some capacity funding to develop a major transportation bid.

#### Mitigating Action

None available at this time.

### **Anticipated Outcome**

Successful LUF applications that meet UK Government's over-riding objective of Levelling Up and transformational regeneration.

Queens Quay District Heating	ng Network

Project Manager	Craig Jardine					
Chief Officer	Peter Hessett					
Project Lifecycle	Planned End Date	;	31-Mar-21	Forecast End Date	31	-Mar-21
Main Januar / Danson for Va						

#### Main Issues / Reason for Variance

The energy centre shell is complete and has been handed over to WDC. The internal fit out is complete with heat now being supplied to Clydebank Care Home, Aurora House, Titan Enterprise Centre and Clydebank Leisure Centre. The additional costs resulting in the reported overspend are associated with extensions to the scope of the project. Rebate from Energetics of £0.182m is expected before the end of the financial year. Spend figures are reduced on account of invoice paid by the Wheatley Group for their connection charges to the district heating network and internal cost transfer to cover media installation and floor painting at the energy centre.

### Mitigating Action

Officers continue to pursue CRL for Energetics rebate.

#### Anticipated Outcome

Project will be delivered over original budget.

PERIOD END DATE 31 January 2022

Chief Officer	Amanda Graham							
Project Lifecycle	Planned End Date		31-Mar-23	Forecast End Da	ite	31-Mar-23		
Main Issues / Reason for Va	riance							

The original projected spend has been affected by internal and external delays due to the Covid 19 recovery, a reduction in the scope of the Clydebank Town Hall project, a change in the delivery date for the Clydebank Museum at Clydebank Library during the contract award stage, while the new Dalmuir Library and Gallery had to be rescheduled for approval in August 2021. Officers are now making progress to get projects back on track, projects will still be delivered in full, and a review of optimism bias will be undertaken in the projections for 2022/23.

#### Mitigating Action

None available at this time.

#### **Anticipated Outcome**

Project to be delivered on budget and within revised timescale.

Glencairn House

Current Year Financials	110	41	37%	65	(45)	-41%
Project Description	Re-development of Gleno	cairn House in D	umbarton High	St to a purpose b	uilt library and r	museum.

Project Manager Michelle Lvnn/ Sarah Christie

Chief Officer Amanda Graham

Project Lifecycle Planned End Date 31-Mar-24 Forecast End Date 31-Mar-24

# Main Issues / Reason for Variance

The Business Case for the Glencairn House project was outlined in a report to the IRED committee on 21 August 2019. The report sought and received approval to proceed with the project. Architects have been appointed and the initial development stage has now been completed. Planning submission has been targeted for Spring 2022 with a practical completion date of December 2023 and financial completion by December 2024 due to retentions. Levelling Up Funding has been confirmed and will be reported separately under a different budget line.

### Mitigating Action

None available at this time.

## **Anticipated Outcome**

Re-development of Glencairn House in Dumbarton High Street to a purpose built library and museum, within budget albeit later than originally anticipated.

Chief Officer Angela Wilson

Project Lifecycle Planned End Date 31-Mar-22 Forecast End Date 31-Mar-24

#### Main Issues / Reason for Variance

Planning Permission received and currently working on internal room layouts to confirm overall budget required to complete project. Previous delays, include application for planning permission which Officers elongated due to requirement to go to design panel, and delays in additional information being able to be provided to Planning due to site visits not being able to be carried out because of COVID-19 restrictions. Currently room layouts are being discussed with the group, this will then allow a review of costs to minimise the additional budget required to complete the project. The original budget allocation did not take into account ground condition costs and any implications required following discussions with planning – until this process is complete Officers will not be able to request additional budget. At this time it is estimated that only £0.025m of the budget will be required this year with £0.585m required to be rephased to 2022/23. Balance of budget was presented to Council on 9 March 2022 and approved however Officers have been asked to prepare a report on the project to a future meeting of the Council

Project Manager Derek Barr Chief Officer Gail MacFarlane

Project Lifecycle Planned End Date 31-Jul-21 Forecast End Date 31-Jul-21

## Main Issues / Reason for Variance

The project was introduced through funding from Scottish Government in 2020/21, in response to the COVID-19 pandemic. The funding was provided for widening of footpaths to abide by social distancing guidelines. The works were not able to be completed in 2020/21 and permission was granted to carry the grant forward into 2021/22 on the condition it was used by 31 July 2021. The works at Smollet Fountain are now complete and the works at Crosslet Road are now complete, however due to time constraints it is anticipated Officers will only be able to use £0.320m of this budget and approximately £0.328m will be underspent.

# Mitigating Action

None required at this time.

#### **Anticipated Outcome**

To provide people of West Dunbartonshire additional space to help adhere to social distancing guidelines.

Chief Officer	Laura Mason					
Project Lifecycle	Planned End Date		31-Mar-24	Forecast End Date	<b>;</b>	31-Mar-24
Main Issues / Reason for Va	ariance					

The £20m project life budget is broken down as follows:

- £15.1m New Build Renton Campus;
- £0.881m St Mary's Alexandria;
- £0.300m Additional ASN Provision (Secondary Phase);
- £2.5m Skills School (Senior Phase);
- •£0.008m Balloch Campus, Lomond Base (artificial grass);
- with the remaining budget of £1.211m unallocated.

The current year budget is allocated, £4.609 New Build Renton Campus; £0.214m St Mary's Alexandria; £0.300m Additional ASN Provision (Secondary Phase); £1.069m Skills School (Senior Phase); £0.008m Balloch Campus, Lomond Base (artificial grass). With regards to the new Renton Build Campus, the construction is split into 3 phases with Phase 1 which includes the new building due to complete on 4 October 2021. The overall construction is programmed to complete by 25 July 2022. (Previously April 2022 but reprogrammed due to 13 week COVID-19 site closure). Forecast spend for 2021/22 for this element of the project is £4.112m against a current year budget of £4.609, resulting in rephasing of £0.497m to 2022/23 due to COVID-19 related delays.

With regards the St Mary's Alexandria Refurbishment works, the MUGA is anticipated to commence August/September. The dining and kitchen extension will not be able to commence until these works are complete and due to the disruptive nature of the works and will not commence until summer 2022. This has resulted in an estimated spend at St Mary's of £0.004m in 2021/22 against a budget of £0.214m resulting in rephasing of £0.210m to 2022/23.

With regards to Additional ASN Provision (Secondary Phase) and Skills School (Senior Phase) these are being rephased to next financial year as awaiting site selection and the programme of works.

Finally the installation of artificial grass at Balloch Campus is complete accounting for £0.008m of the current year spend. In summary, £4.124 is expected to be spent of the current year total budget in 2021/22 with estimated £2.075m required to be rephased to 2022/23.

# Mitigating Action

With regards to the new Renton Campus, Officers are working to plan the migration from existing premises to work with programmed October 2021 Phase 1 completion where the new building and immediate playground and some parking provision is delivered. Overall project with Phase 2 & final phase 3 due to complete in July 2022. Ongoing dialogue with the main contractor and client to mitigate risks to Phase 1 handover date.

#### **Anticipated Outcome**

Project delivered within budget and to the revised programme, following COVID-19.

PERIOD END DATE 31 January 2022

PERIOD 10

Project Manager	Sharon Jump/ Craig	Jardine					

Chief Officer Laura Mason

Project Lifecycle Planned End Date 31-Mar-26 Forecast End Date 31-Mar-26

#### Main Issues / Reason for Variance

The next phase of the Schools Estate Improvement Plan involves the development of a new Campus provision in the Faifley area. Officers have been tasked with providing a funding submission to the Scottish Government Learning Estate Improvement Programme. The bid submission was made in October 2020 and WDC has been successful in securing funding, SFT confirmed the indicative funding allocation for this project at £18.416m on the 4 May 2021, this will be received as a revenue stream over the 25 years of the Scottish Government financial support (subject to the Council adhering to the funding criteria). Site Options Appraisal has taken place and Members approved the recommendation to proceed with the new Faifley Campus on the St Joseph's site at Education Committee 9th June 2021. The next phase will see the appointment of design team and main contractor to proceed with Design Development for the new Campus. As a result of programme changes concept design will now commence end of March 2022, this will not impact on the overall completion of the project. The statutory consultation process was launched in September 2021 and a report will be brought back to the Educational Services committee in 2022.

#### Mitigating Action

None available at this time.

#### **Anticipated Outcome**

Delivery of the project will be on time.

Chief Officer Beth Culshaw

Project Lifecycle Planned End Date 31-Mar-22 Forecast End Date 31-Mar-22

# Main Issues / Reason for Variance

Clydebank Care Home (Queens Quay House) completion was certified 9 November 2020. The Statement of Final Account has been agreed with the Principal Contractor at a figure less than the cost plan and as such officers have adjusted the project outturn to report the project will be delivered on budget. The residents from the 2 existing Clydebank Care Homes moved into Queens Quay House on 14 and 15 December 2020. Officers in HSCP and Asset Management are progressing the disposal strategy for Mount Pleasant, Frank Downie and Queen Mary Day Centre. Clydebank Care Home is due to be financially complete by the end of financial year 2021/22. Budget being rephased due to demolition costs.

### Mitigating Action

The statement of final account has been signed and financial risk exposure should be reduced through efforts to dispose of the existing properties at the earliest opportunity.

#### **Anticipated Outcome**

Dumbarton Care Home opened 2017. Clydebank Care Home was certified complete on 9 November 2020 and projected to deliver on budget.

Main Issues / Reason for Va	riance								

£0.100m spent and further £0.186m committed in device orders to date for mobile phones laptops and PCs.

Took delivery of over 100 laptops in December 2021 which had been delayed due to supply chain issues.

Awaiting update on Chromebook supply and device models and escalated to Procurement Scotland as we already have a back log of orders and supply chain delivery delays.

HSCP £0.413m allocation is expected to be rephased to 22/23 for the wider system review project for case management.

To date the service improvements have been Covid-related and will be charged accordingly leaving approximately £0.100m available for device orders.

#### **Mitigating Action**

Continue to escalate and meet framework suppliers to confirm delivery lead times.

Investigate other procurement routes as well as adjust the project scope to replace where stock allows.

#### **Anticipated Outcome**

Two thirds of Budget spent with some of the HSCP allocation for the wider system review project for case management being rephased.

Supply chain delays may impact delivery of existing committed budget.

As part of the City Deal project the WDC Exxon site at Bowling regeneration with alternative A82 route

include

Project Manager Patricia Rowley/ Craig Jardine

Chief Officer Peter Hessett

Project Lifecycle Planned End Date 31-Mar-27 Forecast End Date 31-Mar-27

Main Issues / Reason for Variance

Regular updates are provided at every Council meeting, with City Deal papers presented at each meeting. The main issues contained within the new Council's approved Outline Business Case are still valid, which include Exxon's remediation strategy, land transfer arrangements and issues relating to adjoining owners. Exxon's commercial deal had been approved by WDC on the 24th June 2020 with land transfer agreed and missives concluded. The planning permission in principle (PPIP) application has been approved by WDC planning department. Exxon has agreed with SEPA and WDC-Environmental Health their remediation strategy. Technical reviews are being carried out between WDC consultant Stantec and Exxon consultants WSP to assess the ongoing remediation strategy and site activity and WDC and Exxon are now working together on their respective construction programmes, to ensure the two phases of works can go ahead unimpeded by the other. Exxon are independently progressing their remediation works which are ongoing. The planning permission conditions are being attended to by consultants Stantec with the condition attached to Dunglass Castle has been progressed with the condition survey nearing completion taking in the castle, house and Henry bell Obelisk. A verbal presentation was made to the board members at the September meeting.

Final Business Case submission date changed from November 2021 to November 2022 was submitted to the Chief Executive's Group on 29th September 2021 with no issues raised. It was included in the interim performance report presented to cabinet on 5th October 2021. A briefing document has been produced and agreed with our chosen contractor Balfour Beatty. Through the Scape framework we are moving towards a formal pre construction agreement to allow the detailed design works to commence and the full construction programme to be developed. Agreements in principle are being drawn up with the majority of 3rd party land owners which will provide a greater degree of certainty as we move towards reaching an agreement with Balfour Beatty.

#### Mitigating Action

None required.

#### Anticipated Outcome

Delivery of the project on time and within the increased budget.

Creation of a community and sport hub. Project Description

Project Manager Lesley Woolfries/ Craig Jardine

Chief Officer Angela Wilson

Project Lifecycle Planned End Date 31-Mar-22 Actual End Date 26-Oct-18

#### Main Issues / Reason for Variance

The facility has been operational since October 2018. Following the termination of the construction contract in the post completion phase, officers have completed defect rectification to the allotment area and completed outstanding work to the natural grass pitch. Due to the excessive quotes received to rectify the defects, the decision was taken to no longer pursue rectification as this presents too great a financial risk to WDC. Final professional fees have now been paid. Officers continue to liaise with the Insolvency Practitioner to conclude the statement of a final account and address their claim for the final retention release. Officers received correspondence from the Insolvency Practitioner cost consultant requesting payment of the withheld retention money, which is disputed by Officers. The £0.008m budget allocation for this financial year 2021/22 will be reviewed as part of the final stages to agree the final account.

#### Mitigating Action

Statement of Final Account shall be agreed to bring project expenditure to a conclusion.

#### Anticipated Outcome

New facility has been operational since October 2018.

Match funding received.

#### WEST DUNBARTONSHIRE COUNCIL **GENERAL SERVICES CAPITAL PROGRAMME ANALYSIS OF RESOURCES**

PERIOD END DATE

31 January 2022

PERIOD

10

	Project Life Financials				
Budget Details	Budget	Spend to Date	Forecast Spend	Forecast Variance	
	£000	£000	6 £000	£000 %	

Capital Receipts

Project Life Financials 0% (1,077)(39.439)(157)(40.516) 3% Current Year Financials (80) 1% 556 14 566 -104% (14.010)

These are capital receipts that are anticipated from sales of land and buildings both as part of the normal disposal Project Description programme and also as part of the business case investment in office rationalisation, new school building and

new care home development

Project Lifecycle Planned End Date 31-Mar-26 Forecast End Date 31-Mar-26

Main Issues / Reason for Variance

Receipts budgets are based on assumptions in relation to the sale of various sites. Not all sales will be realised this financial year. The main ones being OLSP, St James retail park, Dalreoch Care Home. Queen's Quay, Levenbank Terrace, Heather Avenue, Crosslet House. As agreed at Council receipts received are used firstly to pay for principle and premiums.

Mitigating Action

While market conditions are out with officers control all potential receipts will be explored.

**Anticipated Outcome** 

Capital receipts received.

**Prudential Borrowing** 

Project Life Financials (139.508)(115,217)83% (138.925)583 0% Current Year Financials (26,814)(12, 139)45% (29,489)(2,675)10%

Prudential borrowing is long term borrowing from financial institutions that has been approved for the purposes of Project Description

funding capital expenditure

Project Lifecycle Planned End Date 31-Mar-26 Forecast End Date 31-Mar-26

Main Issues / Reason for Variance

Prudential borrowing is impacted by programme delivery therefore mitigating action is detailed in the red and amber analysis.

**Mitigating Action** 

None available at this time.

Anticipated Outcome

While prudential borrowing requirement is likely to be less than budgeted in the current financial year this is anticipated to catch up over the programme life.

7 **CFCR** 

**Project Life Financials** (88) 0 0% (63)25 0% Current Year Financials (88)0 0% (25)63 0%

Project Description This is capital spend which is funded by revenue budgets

Project Lifecycle Planned End Date 31-Mar-22 Forecast End Date 31-Mar-22

Main Issues / Reason for Variance

Renovation of Unit 11 Levenside Business Court

**Mitigating Action** 

None required at this time.

**Anticipated Outcome** 

CFCR applied to relevant capital project.
