COMMUNITY NEWS

Committee members were invited to provide information for the Community News item in advance of meetings on an on-going basis.

Having heard Councillor J. McColl, the Committee agreed that it would be useful if meeting dates of future Community Forums could be flagged up in advance to the Committee in order to try and encourage better attendance/awareness.

FUTURE AGENDA ITEMS FROM COMMUNITY REPRESENTATIVES

Councillor Brown, Chair, invited community representatives to raise topics for inclusion on future Agendas.

Having heard the Chair advise that, given the length of time the same items appeared on the agenda, it might be useful to consider a review of some of the topics. Following consideration, it was agreed that the following might be a good starting point (although this list was not necessarily exhaustive):-

- Winter Maintenance programme for 2011/12
- Regeneration Issues
- Housing Allocation policy, etc.
- Regular update on Recycling and Waste Minimisation
- Future Development on Strathleven Corridor
- Council Tax Presentation (annually)
- An update on Addiction Services and in particular whether funding is internal or external
- 'Fairtrade'
- Securitisation of Assets, etc.
- Update on Clyde Valley Community Planning Partnership

It was considered that it might be worthwhile for a presentation to be undertaken to the next meeting of the Committee on the impact with jobs, etc. in the area as a result of the ongoing regeneration of the Strathleven Corridor.

OPEN FORUM

The Committee noted that there were no Open Forum questions.

The meeting closed at 4.57 p.m.
