

WEST DUNBARTONSHIRE COUNCIL

Report by the Executive Director of Housing, Environmental & Economic Development

Tendering Committee: 7 December 2010

Subject: Repair Works to Mountblow Road Bridge

1. Purpose

- 1.1** To advise the Committee of Tenders received for Specialist Concrete Repair Works to Mountblow Road Bridge and to seek approval to accept the lowest priced tender.

2. Background

- 2.1** Tenders for the project were received on 22 October 2010 from six contractors.

3. Main Issues

- 3.1** The works involve all permanent and temporary construction associated with the repair and refurbishment of Mountblow Road Bridge including surface cleaning, a repair survey, concrete repairs, the replacement of damaged pre-cast coping units and the replacement of the deck waterproofing, expansion joints and surfacing.

4. People Implications

- 4.1** This contract will be managed by the Roads and Transportation Services Section of Housing, Environmental and Economic Development.

5. Financial Implications

- 5.1** The six tenders have been checked arithmetically and represent good value by current pricing levels.
- 5.2** The tender price of £135,501.70 will be funded from existing roads capital budgets.

6. Risk Analysis

- 6.1** Appointment of a specialist concrete repair contractor will assist the Council to meet its statutory obligation to maintain the road network to an acceptable standard, as set out in various Roads (Scotland) legislation.

7. Equalities Impact

- 7.1** No significant issues were identified in a screening for potential equality impact of this report

8. Conclusions and Recommendations

- 8.1** The works included in this contract will ensure the future structural integrity of Mountblow Road Bridge.
- 8.2** The Committee is invited to approve the awarding of the contract to Mackenzie Construction in the amount of £135,501.70 as the lowest priced tender.

Elaine Melrose
