xpected Impact:	Other Monitoring Strategies:					
o Raise Attainment through in	creased responsibility given	ased responsibility given to PTs in departments				
ctions	Impact	Lead Staff	Resources	Timescale	Monitoring and Evaluation	
a) Raising Attainment and	RA discussed regularly	M Vassie: HT	Time	Aug '12 to		
Tracking to be standing items at all D Meetings b) Raising Attainment a	at Department meetings. Greater expertise among staff & increased	Link SLT	DMs	Dec '12		
priority in every Department Improvement Plan	responsibility for RA by every member of staff	PTs	In-Service			
c) Departments to produce	• RA on all DIPs	Members of	Training for			
Quality Assurance calendar	 Most Departments have 	departments	pupils			
d) PTs to play greater role in driving RA agenda in department: staff training re STACs, UPS, Standards & Quality, Departmental Improvement Plans	 QA calendar; ongoing All staff fully involved in tracking/target setting & RA achieving more consistent approach. Also more positive 	PT: Raising Attainment				
e) Principal Teachers to help staff construct individual teacher targets regarding RA	mindset from PTs & staffHalf departments now					
f) Departments to encourage and develop greater pupil responsibility eg development of Pupil Voice, increased involvement of pupils in target setting, more focused, practical feedback given to pupils, pupils involved in next steps	well on way to achieving individual teacher targets; ongoing • Over whole school very positive; mentors, STACs / Tracking discussions at key points Teachers, PTs, RA Teacher, PS & Mentors all involved in discussions with pupils					

Actions g) Teachers to discuss progression routes with every pupil as part of targets setting programme h) PTs to carry out themed reviews/visits relating to RA in the course of the year i) PTs to course good practice is shared across the department and whole school j) PTs to work closely with RA Principal Teacher (KReilly) re specific pupils (A) Principal Teacher (KReilly) re specific pupils (B) Better use of websites resupport for pupils, revision, past papers etc. 1) Enhanced role for PTs in analyzing and responding to on track data during the course of the session 2) Enhanced role for PTs in analyzing and responding to on track data during the course of the session Engage of the session of the	Priori	ty/target area :.
