

THE VALE MONITORING GROUP

MONDAY 29 NOVEMBER 2010, 9.30AM

Burgh Halls, Dumbarton

AGENDA

The Vale Monitoring Group

The Cabinet Secretary required the establishment of the Monitoring Group to ***oversee the development and delivery of the 'Vision for the Vale'*** as a condition of her approving that Vision.

The Group meets every two months, alternating between Dumbarton and Helensburgh. The Group is required to keep the Cabinet Secretary apprised of

- The development of plans to implement The Vision and
- The delivery of these plans.

The Group will remain in existence until the service changes outlined in The Vision are delivered.

The Group's meetings are held in public to help ensure the process is open and transparent. The Group's meetings are not "public meetings"; there is no provision for members of the public to make a contribution to the Group's deliberations.

The membership of the group is set out at the foot of this agenda.
