You will note that this notification of the conviction incurred on 15 February 2011 has been given late. Mr Hastings had believed that, because he was admonished by the Court, he had not been convicted of an offence. The correct position was explained to him when we were consulted in relation to the later conviction.

Please also be advised that notification is also being given to the City of Glasgow Licensing Board, as Mr Hastings is currently employed in licensed premises within that Board's area. It seems to us, that standing the terms of Section 83(11)('Relevant Licensing Board') that your Board has exclusive jurisdiction in this matter.

Yours faithfully
