

SCOTTISH SERVICE USER CONFERENCE:

BEEN THERE, SEEN IT, DONE IT!

Thursday 17th September 2008

The Town Hall, Clydebank

West Dunbartonshire

Service User Involvement has been identified in key national documents like **The Road to Recovery: A New Approach to Tackling Scotland's Drug Problem**, **National Quality Standards for Substance Misuse** and the **Plan for Action on Alcohol Problems: Update**.

This first Scottish Service User Conference plans to ask:

- > What is service user involvement?
- > How has it been developed at local levels?
- > What supports are there at local and national levels?
- > How can we establish a sustainable Service User Involvement Network across Scotland?

If you are a commissioner of services, a service provider or someone who is or has previously accessed drug and or alcohol services this is your chance to discuss service user involvement in the planning and delivery of drug and alcohol services.

Delegate rates are:

- > £55.00 per person for service users and representatives from voluntary organisations
- > £120.00 per person for representatives of statutory/private organisations

Payment can be made on line or by Invoice, however, all payments must be received by 7th September 2008.
