Dear Parent/Guardian

Your child has been given the opportunity to improve his/her confidence in the development of literacy skills before going to secondary school in August.

We are running a summer school in                      on the 9, 10, 11 July and again on 7, 8, 9 August.

Your child can attend one week or both weeks, whatever family holidays allow.

The day will start at 9.30am and end at 2.30pm. Lunch will be provided and you will be responsible for getting your child to                      and picking him/her up.

There will be literacy confidence building activities and some fun activity such as Art or ICT each day.

Your child does not have a problem with literacy skills but it would help his/her confidence if he/she was able to attend this summer school.

There is no cost for this activity and the teachers delivering the two weeks are experienced West Dunbartonshire Council teachers although they may not be from your child's school.

The summer school will also give your child the opportunity to meet young people from other schools who are also going to                      .

Please complete the return slip below and email to                      .

Yours sincerely

Mary Devine  
Quality Manager
