

WEST DUNBARTONSHIRE COUNCIL

Report by Chief Officer - Resources

Audit Committee: 12 June 2024

Subject: Code of Good Governance and Annual Governance Statement 2023/24

1. Purpose

1.1 The purpose of this report is to:

- Advise Committee of the outcome of the annual self-evaluation undertaken of the Council's compliance with its Code of Good Governance.
- Invite Committee to consider the Annual Governance Statement that will be published in the Council's Abstract of Accounts.

2. Recommendations

2.1 The Committee is asked to:

- i) Note the outcome of the recent self-evaluation process in considering how the Council currently meets the agreed Code of Good Governance, together with the issues identified and improvement actions.
- ii) Consider the detail of the Annual Governance Statement and approve the actions identified by management to improve the internal control environment.

3. Background

3.1 *Delivering Good Governance in Local Government: Framework*, published by CIPFA in association with Solace in 2007, set the standard for local authority governance in the UK. CIPFA and Solace reviewed the Framework in 2015 to ensure it remained 'fit for purpose' and published a revised edition in spring 2016. The current *Delivering Good Governance in Local Government: Framework* (CIPFA/Solace, 2016) has applied to annual governance statements prepared for the financial year 2016/17 onwards.

3.2 The concept underpinning the revised Framework is that it assists local government in taking responsibility for developing and shaping an informed approach to governance, aimed at achieving the highest standards in a measured and proportionate way. This Framework is intended to assist authorities individually in reviewing and accounting for their own unique approach. The overall aim is to ensure that:

- resources are directed in accordance with agreed policy and according to priorities
- there is sound and inclusive decision making
- there is clear accountability for the use of those resources in order to achieve desired outcomes for service users and communities.

3.3 In order to demonstrate a commitment to sound governance, local authorities are encouraged to publish a governance statement on an annual basis.

3.4 The annual governance statement is the formal statement that recognises, records and publishes a Council's governance arrangements as defined in the CIPFA/SOLACE Framework. The statement requires to be signed off by the most senior officer (Chief Executive) and the most senior member (Council Leader). Clearly the signatories must be satisfied that the document is supported by reliable evidence.

3.5 Following the review of the Audit Committee, carried out in accordance with the contents of the CIPFA publication "*Audit Committees: Practical Guidance for Local Authorities and Police*" (2018 Edition)" a report was submitted to the Audit Committee meeting on 12 December 2018. One of the actions arising was to submit the draft Annual Governance Statement to the Audit Committee as a stand-alone document for consideration.

4. Main Issues

4.1 A revised local code was developed for the Council and agreed at the Audit and Performance Review Committee on 8 March 2017.

4.2 A Governance Report is produced annually and is based on an annual self-evaluation of compliance against the Council's Code of Good Governance.

4.3 The annual self-evaluation review for 2023/24 has been carried out and has identified that current practice is mainly compliant against our revised Code of Governance, whilst identifying some areas for improvement. There were no significant governance issues identified and areas for improvement are detailed within the draft Annual Governance Statement at Appendix 1.

4.4 The draft Annual Governance Statement details the key elements of the Council's governance framework, annual review process, improvement areas and overall opinion.

4.5 In terms of the Council's overall corporate governance arrangements, it is considered that, although there are some areas of work to be completed to ensure full compliance with the Local Code of Good Governance, the overall governance arrangements of the Council are considered to be satisfactory. The Annual Governance Statement 2023/24 is informed by the self-assessment of compliance against the Local Code of Good Governance and related Certificates of Assurance from Chief Officers, the work of Internal Audit, External Audit and external inspection agencies.

4.6 The Council's Annual Governance Statement will be published within the Annual Accounts for the year ended 31 March 2024.

5. People Implications

5.1 There are no personnel issues.

6. Financial and Procurement Implications

6.1 There are no direct financial or procurement implications arising from this report as all improvement actions will be managed from within existing resources.

7. Risk Analysis

7.1 There is a risk that a failure to maintain a local code and develop a framework to support the gathering and updating of the necessary evidence will leave the Council unable to produce a Governance Statement. The current approach to ongoing annual assessment of compliance and reporting to this Committee ensures that the Council can produce a meaningful Governance Statement.

8. Equalities Impact Assessment (EIA)

8.1 There are no issues identified.

9. Consultation

9.1 This report has been subject to consultation with appropriate Chief Officers.

10. Strategic Assessment

10.1 This report relates to all five of the Council's Strategic Priorities.
