WEST DUNBARTONSHIRE LICENSING BOARD

Annual Function Report 2023-24

1. Introduction

- 1.1. West Dunbartonshire Licensing Board is the licensing authority for West Dunbartonshire for the purposes of the Licensing (Scotland) Act 2005 (“the Act”).
- 1.2. The Licensing Board is made up of eight members, all of whom are elected members of West Dunbartonshire Council. Details of the membership can be found [here](#)¹.
- 1.3 This report is prepared so to discharge the Licensing Board’s duties in terms of section 9A of the Act, namely :- (1) to report how the Licensing Board, during the relevant time period, has had regard to the licensing objectives and its Statement of Licensing Policy and Overprovision Assessment; and (2) detail the decisions made by the Licensing Board (and officers exercising delegated authority) and the premises licensed within its area. This is in relation to the period 1 April 2023 to 31 March 2024.

2. Staffing

- 2.1. The Licensing Board is supported by the following officers:

| Position | Role |
|------------------------------|--|
| Clerk to the Licensing Board | Clerking meetings and the giving of legal advices. |
| Committee Clerk | Arranging and minuting meetings. |
| Licensing Assistants | Processing applications and maintaining licensing permissions. |
| Licensing Standards Officers | Commenting on applications and providing advice and assistance to applicants and members of the community. |
| Senior Licensing Officer | Assisting with financial matters, in particular the administration of annual fees. |

- 2.2 It should be noted that the Licensing Board receives considerable support from West Dunbartonshire Council in relation to central support services.

3. Summary of licensed premises in West Dunbartonshire

- 3.1. Details of the licensed premises as of 31 March 2024 within West Dunbartonshire are as follows:-

¹ [West Dunbartonshire Committee Management System \(CMIS\) > Committees > May 2022 - Present > Licensing Board \(west-dunbarton.gov.uk\)](#)

| Type | Number |
|-----------------------|--------|
| On-sales | 41 |
| Off-sales | 89 |
| Both on and off-sales | 93 |
| Total | 223 |

3.2. A complete list of the licensed premises in West Dunbartonshire can be found [here](#)².

4. Current Policy

4.1 The Licensing Board's Statement of Licensing Policy sets out measures that it expects holders of premises licences to have regard to promote the licensing objectives, for example, promoting the development of Pubwatch schemes, advising of minimum standards in premises where children might be present and advising on how to best manage outdoor drinking areas. The Policy since its update in November 2023 now sets out the conditions that it will seek to normally apply to premises licences. Members of the Licensing Board have had regard to these measures when considering the applications before it during the relevant period.

4.2 The Policy also sets out the Licensing Board's expectations in relation to licensed hours and Children and Young Persons' access. It is of the view that clearly defining its expectations in this regard gives both the licensed trade and community certainty.

4.3 The Licensing Board adopted a new Statement of Licensing Policy in November 2023. This new Statement of Licensing Policy was the result of extensive work by Council officers and partner agencies. This work produced a robust and evidence-based Policy. The Annual Functions Report 2022/23 touched on some of the work done in developing this Policy, however, for completeness, this Policy included:-

- both pre-consultation and public consultation exercises so to: 1) identify areas of the Licensing Board previous Policy that required review; and 2) consulting on the terms of the new Policy;
- creation of a short-life working group of the Licensing Forum so to assist with the development of the Policy;
- review of data from various sources so to prepare a robust overprovision assessment;
- codification of various policy matters as conditions so to facilitate compliance efforts;
- consulting with the trade at a workshop session; and

² <https://www.west-dunbarton.gov.uk/business/licences-permits-and-permissions/alcohol-licences/summary-of-premises-licence-register/>

- extensive amends of the Policy following consideration of responses received.

4.4 This Statement of Licensing Policy will, of course, take time to settle in and Officers will keep the Policy under review. It should be noted that changes introduced in the Policy have had an immediate effect, for example, the attaching of conditions to occasional licences is further to detailed discussions between the licence holder and Licensing Standards Officers.

5. Business of Licensing Board

5.1. During the relevant period, the Licensing Board met eight times. Appendix 1 details the matters considered at the meetings.

5.2. When considering applications the Licensing Board has had regard to the terms of the Act, any guidance issued by Scottish Ministers further to section 142 of the Act, the terms of the application, any objections or representations made, submissions made the applicant, and the Statement of Licensing Policy.

5.3. In relation to new premises licence (including a provisional premises licence) and major variation applications, the Licensing Board consults with the following parties:-

- Community Councils
- Police Scotland
- Planning
- Building Standards
- Environmental Health
- Fire Service Scotland

There is also a public consultation by way of a site notice and neighbourhood notification.

5.4. Appendix 2 details the outcome of applications determined by the Licensing Board. Minutes of these meetings can be found [here](#)³.

5.5. The following types of applications are considered under delated authority:-

- Occasional licences;
- Transfer of premises licence;
- Extended hours certificates; and
- Minor variations to premises licence.

| TYPE | DESCRIPTION | NUMBER |
|------------------|---|---------------|
| Occasional | An occasional licence is a licence which authorises the sale of alcohol in premises for a one-off event, such as a wedding reception or a celebratory party | 302 |
| Extended Hours | An application by a licence holder to temporarily increase the licensed hours | 41 |
| Minor Variation | A minor variation is an application to make a change to a licence such as a change of premises manager | 49 |
| Transfer | A Transfer Application allows a licence to be transferred from one holder to another, such as when a business is sold | 14 |
| Personal Licence | A Personal licence allows an individual to authorise the sale of alcohol in a Licensed Premises | 632 |

5.6. 302 occasional licence applications were considered in the last financial year, which represents a decrease in the number of occasional licence applications when compared to the 361 applications received in financial year 2022-2023. The processing of occasional licence applications is still a significant workstream for the Licensing Section albeit there are initial indications from the Scottish Government that legislation may be introduced to address various concerns relating to their use, for example, frequency. These are detailed at Appendix 3.

5.7. There were 49 applications for a minor variation of a premises licence received in 2023/24. This represents a slight increase in the number of minor variations applications received when compared with the previous financial year. A summary of these applications can be found at Appendix 4.

5.8. There were 41 applications from licence holders seeking to temporarily extend their licensed hours, which is one less Extended Hour Applications than were received in the previous financial year.

6. Training

6.1. The Act requires that all Licensing Board Members have to attain an accredited training qualification within three months of being elected as a member of the Licensing Board. The West Dunbartonshire Licensing Board Members received their training in 2022.

6.2. Further to this qualification, Licensing Board Members are updated via a range of different sources of information to ensure that their licensing knowledge is maximised. In the last year the Board has received reports from Police Scotland and NHS Greater Glasgow and Clyde on various

matters relating to the sale or consumption of alcohol.

- 6.3. In relation to the Licensing Team, all members of the Licensing Team are qualified specialist paralegals, in addition to the mandatory LSO training, which both LSOs and one Licensing Assistant have undertaken.

7. The Licensing Forum

- 7.1. West Dunbartonshire's Licensing Forum has been in existence since 2004, some years prior to the formation of a Forum becoming a requirement. The Licensing Forum membership includes representatives of the licensed trade, representatives of Health Licensing Standards Officers, and also Community Council members. The Forum has worked well in partnership with the Licensing Board and has provided valuable assistance to the Board, in particular the forum's input to the Licensing Policy and overprovision in particular. The Licensing Board are highly appreciative of the work that the forum does in the local area.
- 7.2. Minutes of Licensing Forum Meetings can be found [here](#)⁴.
