

# **WEST DUNBARTONSHIRE COUNCIL**

## **Report by Head of Personnel Services**

**Joint Consultative Forum –1 March 2007**

---

**Subject: Discipline & Grievance Information**

### **1. Purpose**

- 1.1** To provide JCF members with figures for discipline and grievance appeals held at departmental level (Stage 2) as requested at JCF on 31 March 2005. This report provides figures for the quarterly period 1 October 2006 – 31 December 2006.

### **2. Background**

#### Discipline

- 2.1** Appeals for Oral, Written and Final warnings can be appealed to the Departmental Director for consideration, and end at this level. Punitive disciplinary action i.e., dismissal, demotion, suspension without pay, can be appealed to Elected Member level at Committee.

#### Grievances

- 2.2** Grievances are raised in 3 stages.

- Stage 1 is considered by the immediate supervisor
- Stage 2 is considered by the Director or nominated Officer
- Stage 3 is considered by Elected Members at Committee

#### Mediation

- 2.3** Prior to an appeal being heard at Stage 3, Personnel Services will normally convene a meeting of the parties concerned to try to resolve the matter through mediation. This does not prevent grievances progressing to Stage 3.

### **3. Main Issues**

#### Disciplinary Hearings

- 3.1** A total of 12 disciplinary hearings were conducted during the period and a full departmental breakdown is provided in Appendix 1. One employee resigned prior to a disciplinary hearing being conducted. A summary of the position is shown at Table 1 overleaf:-

### Recording and Monitoring

- 3.5** Corporate Personnel have put in place arrangements for improved reporting on grievance and discipline to determine underlying issues which could be addressed through training.

## **4. Personnel Issues**

- 4.1** The number of disciplinary hearings and grievances submitted can impact on both the Council's image as a good employer, and the morale of employees. It is critical that the processes for the management of grievance and discipline are adhered to and that every effort is made to meet agreed timescales in order to avoid unnecessary delay to the resolution of issues which impact on the management of employees and service delivery.

## **5. Financial Implications**

- 5.1** At present there is no mechanism for measuring financial implications. Factors such as time spent on investigations; attending hearings and potential Employment Tribunal claims will however, have an indirect financial impact on the Council.

## **6. Risk Analysis**

- 6.1** Without a robust grievance procedure there is a risk to the Council of general unrest and disputes within the Council, and employees submitting claims to employment tribunals for failure to comply with the statutory grievance process.

## **7. Conclusions**

- 7.1** Overall the number of both discipline and grievance hearings in an organisation the size of West Dunbartonshire Council is low, representing less than 1% employees.

## **8. Recommendations**

- 8.1** Forum members are asked to note the contents of this report.
