## **PLANNING APPLICATION**

A report was submitted by the Chief Officer – Regulatory and Regeneration in respect of the following planning application:-

**DC20/232 – Formation of car park and associated landscaping and footpaths at land adjacent to Dalreoch Railway Station, West Bridgend, Dumbarton by West Dunbartonshire Council.**

Reference was made to a site visit which had been undertaken in respect of the above application. The Planning, Building Standards and Environmental Health Manager was then heard in further explanation of the report and in answer to Members' questions.

Councillor Finn, Chair, invited Councillor David McBride, who was speaking in relation to constituents' objections and Mr Jim Fraser, objector, to address the Committee. Both were heard in respect of their representations.

The Chair then invited Ms Nikki McAuley and Mr Robert Davidson of Ironside Farrer, agent, to address the Committee and both were heard in answer to Members' questions.

After consideration and having heard the Planning, Building Standards and Environmental Health Manager and relevant officers in clarification of certain matters and in answer to Members' questions, Councillor Lennie, seconded by Councillor McNair, moved:-

That the application be refused on the grounds that more evidence and justification was required of increased footfall and current car park capacity levels before considering any additional spaces.

As an amendment, Councillor Conaghan, seconded by Bailie Agnew, moved:-

That the Committee grant the application with a further condition that there should be a study commissioned which would detail the demand and usage of the existing car park before proceeding with any works.

After hearing the Planning, Building Standards and Environmental Health Manager in response to potential difficulties with regard to the purpose of the additional condition, Councillor Conaghan, with the consent of the Committee, agreed to withdraw her amendment.

Thereafter, as an amendment, Bailie Agnew, seconded by Councillor Finn, moved:-

That the application be continued to a future meeting of the Committee to allow for additional information to be obtained, including usage of the existing car parking spaces at this location.

On a vote being taken, 4 Members voted for the amendment and 4 Members voted for the motion. There being an equality of votes, Councillor Finn, Chair, exercised his casting vote in favour of the amendment which was accordingly declared carried.

Note: Bailie Agnew left the meeting at this point in the proceedings.
