

WEST DUNBARTONSHIRE COUNCIL

Report by the Executive Director of Corporate Services

Council – 26 January 2011

Subject: General Services Capital Budgetary Control Report: Period 8 (2010/11)

1. Purpose

- 1.1** The purpose of this report is to update Council on the General Services Capital plan for 2010/11.

2. Background

- 2.1** The Council agreed the 2010/11 General Services Capital Programme at its meeting 24 February 2010 and an updated position was reported to Council in December.

3. Main Issues

- 3.1** Appendix I summarises the current forecast for resources and expenditure (both totalling £20.466m). Deducted in this figure are resources expected to be carried forward into 2010/11 (£2.095m).
- 3.2** Appendix II details the capital projects, summarises expenditure to date totalling £13.181m and lists the major projects estimated to cost £0.100m and over.
- 3.3** When compared to the probable outturn to date of £13.187m overall, the capital budget shows a year to date under spend of £0.006m (0.05% of the year to date probable outturn).
- 3.4** If required, any remaining under spend will be carried forward as slippage into 2010/11 and matched with available resources.

4. People Implications

- 4.1** There are no people implications.

5. Financial Implications

- 5.1** Currently expenditure shows a favourable variance of £0.006m (0.05% of the year to date) compared to the probable outturn.

6. Risk Analysis

6.1 The main risks are as follows:

- (a) Within the resources noted as available there is an element of capital receipts identified which are only estimates at this stage and not guaranteed. These figures could change and, as a result, the capital plans may require to be altered.
- (b) If departments overspend on any capital budget this will have a detrimental effect on the capital programme in current and future years.

7. Equalities Impact Assessment

7.1 No significant issues were identified in a screening for potential equality impact of this report

8. Conclusions and Recommendations

8.1 The 2010/11 capital plan reported to Council in December has been updated for known changes. Currently capital is under spent against the probable outturn to date.

8.2 Members are asked to approve the updated capital plan and note the position to date as outlined in appendices I and II.
