49	Management and Maintenance expenditure for 2016-17	£000	0	#DIV/0!
50	CFCR for 2016-17	£000		#DIV/0!
51	Average weekly rents (52 week basis) for 2016-17	£		n/a

**Notes:**  
*Nominal or cash prices* means that prices have been increased to take into account the effect of general inflation (e.g. as measured by RPI or CPI);  
*Real or constant prices* means that there has been no adjustment for general inflation  
HRA loan charges are the sum of (i) repayment of debt principal, (ii) interest payments, and (iii) loans fund expenses attributable to the HRA  
Please use the definitions of Supervision and Management expenditure and Repairs and Maintenance expenditure as per the HRA return, see guidance at:
