Dear Member

Further to the issue of the Agenda for the meeting of the Planning Committee on 28 October 2004, I would advise you of the following amendment to the papers:-

Item 4 **Procedural Matters Relating to Hearings and Site Visits** – Report by the Director of Development and Environmental Services reviewing the procedures in relation to hearings and site visits following the findings of the Scottish Public Services Ombudsman's report. – Amended report (copy enclosed) replaces the version issued with the papers.

Yours faithfully
