12 NOTICE OF MOTION

(a) Motion by Councillor Gordon Scanlan – Sun Safe accreditation programme

Council calls on schools to raise awareness of the dangers of overexposure to UV light in our children, the dangers of not wearing sunscreen, and encourages schools to sign up for the free Sun Safe accreditation programme.

Overexposure to UV is a serious health risk and the primary cause of skin cancer, there are on average 16,700 cases in the UK every year.

Sun Safe provide free resources for schools and nurseries to help educate children about the hazards of not wearing sunscreen and provide a free accreditation programme.

Council recognises that this month has seen a period of extreme hot weather and that it's more important than ever for children to recognise the potential dangers posed by the sunlight, and that schools and nurseries taking part in the sunlife campaign would benefit from it.

Council further recognises that overexposure to UV light is a danger for individuals of all ages and endeavours to raise awareness of these dangers through its media channels.
