ITEM 5a

Deputation to consider the following petition:-

“After 55 years, The Napier Hall is up for closure which directly affects the local playgroup & toddlers which has been run by the same person for 20 years (or more). This group has brought together children and parents during a time where socialising has been extremely difficult and now with the option being ripped away and forced to close, we are hoping to save the group and hall! We have tried many different approaches, all which have failed, and now Thursday 22nd June is set to be the final day. Please help us save our local hall/playgroup!”
