NOTES OF VISITATIONS

Notes of Visitations carried out on 31 May 2005 and 20 June 2005, copies of which form Appendices 1 and 2 hereto, were submitted and noted.

PROVISION OF OUTDOOR RECREATIONAL FACILITIES WITH ASSOCIATED EQUIPMENT AND LANDSCAPING AT CENTRAL PARK, RENTON

- A report was submitted by the Director of Development and Environmental Services providing an update on the progress of the above planning application, which had previously been considered by the Committee.
- The Committee noted that this application had been continued from the meeting of the Planning Committee held on 2 March 2005 to enable the maintenance and management arrangements to be clarified.

^{*} Attended later in the meeting

- After discussion and having heard the Planning Services Manager in further explanation and in answer to Members' questions, the Committee agreed that planning permission be refused for the following reasons:-
 - (1) the proposal would be contrary to policy DC1 of the Dumbarton District, District Wide Local Plan 1999, in that the proposed skate park and play area would be situated in such proximity to existing housing that it would be likely to give rise to problems of noise and disturbance to the detriment of the residential amenities of these houses; and
 - the proposal would be contrary to policy H5 of the Dumbarton District, District Wide Local Plan 1999, in that adequate arrangements for the long term management and maintenance of the proposed skate park, play and exercise equipment, and associated landscaping, have not been demonstrated. As such, problems of noise and disturbance, vandalism, litter and other antisocial behaviour, would be likely to occur, to the detriment of the residential amenities of the surrounding area.

NOTE:

Councillor McColl entered the meeting during discussion of the above item but took no part in the deliberation and determination thereof. Councillor Agnew entered at this point in the meeting.

USE OF PLANNING CONDITION TO REMOVE PERMITTED DEVELOPMENT RIGHTS

- A report was submitted by the Director of Development and Environmental Services providing an update on the use of a planning condition attached to the residential development of the former M.O.D. site in Old Kilpatrick, and considering its effectiveness in control of development.
- The Committee noted that this matter had previously been considered at the Council meeting held on 27 October 2004 where it was agreed that a progress report would be submitted to Members after a period of 6 months.
- After discussion and having heard the Planning Services Manager in further explanation and in answer to Members' questions, the Committee agreed:-
 - (1) that the restrictive condition no longer be applied and that permitted development rights be restored to houseowners where previously removed; and
 - (2) that no enforcement action be taken against those who have breached the condition in the past.

DUTIES UNDER THE LAND REFORM ACT (SCOTLAND) 2003 SECTION 11 EXEMPTION ORDERS

- A report was submitted by the Director of Development and Environmental Services seeking approval for the procedure to be followed when applying to the Council for an Exemption Order to Access Rights under the Land Reform (Scotland) Act 2003.
- After discussion and having heard the Planning Services Manager in further explanation and in answer to Members' questions, the Committee agreed to the implementation of the procedure for applying for an Exemption Order under Section 11 of the Land Reform (Scotland) Act 2003, as outlined in the report.

- 6524 The Committee agreed:-
 - (1) to homologate the response that had been submitted to Argyll & Bute Council in respect of the Argyll & Bute Local Plan (Finalised Draft) 2005;
 - (2) to note that no objections had been lodged in relation to the Argyll & Bute Local Plan (Finalised Draft) 2005; and
 - (3) that authority be delegated to the Director of Development and Environmental Services to enter into dialogue with Argyll & Bute Council to ascertain the nature of the regeneration proposed for Helensburgh Waterfront and Helensburgh Town Centre in order to consider its impact on West Dunbartonshire.
