Please outline any particular need/barriers which equality groups may have in relation to this policy list evidence you are using to support this and whether there is any negative impact on particular groups.				
	Needs	Evidence	Impact	
Age	See cross cutting		See cross cutting	
Cross Cutting	community facilities are often used by a range of community organisations as a meeting place. To that end they require to be accessible and within reasonable travelling distance		Community facilities are often disproportionately used by organisations which represent older age groups, females and care type organisations. The	

	<p>for each community. Facilities must be physically accessible to ensure that all citizens who want to use them are able to. It is essential that communities who experience deprivation have access to community facilities and meeting places where they can participate in social and learning activities.</p>		<p>review must take in to consideration the travel and distance required for communities to access facilities as well as the coverage from other similar facilities in each area. Community facilities are a popular meeting place for community organisations which support a range of communities of interest and its essential that they are able to continue to meet in a suitable venue.</p>

Policy has a negative impact on an equality group, but is still to be implemented, please provide justification for this.			
Will the impact of the policy be monitored and reported on an ongoing bases?			
the review is ongoing so impact will be monitored through to implementation			
Q7 What is your recommendation for this policy?			
Introduce			
Please provide a meaningful summary of how you have reached the recommendation			
The review of community facilities will be undertaken with impacts in mind. Consideration will be given to how a range of options will impact on user groups and the wider community while also realising the aims of the review.
