9. NOTICES OF MOTION

(a) Motion by Councillor Jim Bollan – Social Enterprise Clydebank

Council is deeply concerned about the situation which exists in the organisation "Social Enterprise Clydebank". SEC receives public funds from West Dunbartonshire Council and the Community Planning Partnership. There are major concerns regarding the management and financial position of the Company, which will impact on people's employment. Given the scrutiny role that should have been deployed by the CPP/WDC with the level of public funds invested, Council agrees to hold a full and thorough independent enquiry by an appropriate external agency not previously contracted to WDC. The independent enquiry should cover all aspects of the business including finance, management, recruitment, decision making, employment policies and procedures and governance. The enquiry should also investigate the decision making process within the CPP concentrating on the Executive Board and any role the EB played in recommending funding, capital or revenue, for SEC.

(b) Motion by Councillor Jim Bollan – Level 2 SVQ Modern Apprenticeships

Council agrees to review the rate of £2.65 per hour being proposed for the 197 level 2 SVQ Modern Apprenticeships, which is substantially lower than the rate for the other 53 Modern Apprenticeships. Council agrees this rate is derisory and will increase poverty in West Dunbartonshire. Council also agrees the rate of £6.20 per hour should be the minimum rate paid to all 250 Apprenticeships being offered by WDC. Any additional resources required will be funded from earmarked reserves.

(c) Motion by Councillor George Black – H.M. Forces Deployed Overseas - Council Tax

This Council would wish to be supportive of the national aspiration to assist members of H.M. Forces in relation to Council Tax whilst deployed overseas and calls upon officers to bring forward a report on the implementation of a scheme in West Dunbartonshire emulating the initiative by Glasgow City Council.

(d) Motion by Councillor Jonathan McColl – DisabledGo Guide

Council notes that DisabledGo are an organisation which employs local disabled people who make in person visits and assessments of local business premises and Council buildings such as schools and Council receptions. These reports are then used to produce an access and facilities guide for West Dunbartonshire and 87 other UK Local Authorities (appended to this motion).

This guide provides both local and visiting people with accurate, first-hand information from disabled individuals allowing them to choose to use the facilities that best serve their needs.

Council further notes that our three year agreement with DisabledGo has expired. To ensure continued inclusion in the guide, including regular updates, Council agrees, subject to all financial and other normal checks to renew our agreement for a further three years at a cost of £5300+VAT per year.

Council notes that these are 2007 prices and on that basis represent good value for money, and subject to the organisation satisfying all financial and other normal checks delegates authority to the Chief Executive to fund this from an appropriate budget and issue members with a briefing note summarising the terms of the agreement.
