

Departmental Structure Review Proposals

Chief Executive

The chief executive remains the head of service but takes a stronger role in the strategic development of council services. Importantly the executive has all the functions at their control for the implementation of council directives and key policy decisions.

Head of Budgetary Control

The Post has budgetary control for all council departments, planning, loans and investments together with the Section 95 and audit responsibilities.

Head of Revenue Collection

Responsibility for all financial revenue collection functions of the council, including Council Tax, Non Domestic Rates & Debt Control.

Head of Organisational Development

Responsibility for council wide service integration and development also includes all personnel functions including employee development for the whole council. The head will also have the **all** policy sections from within the council together with the responsibility of communications and public relation sections.

Head of ICT & Business Development

Includes all current information services function but with the addition of systems integration and business change roles.

Head of Education & Life Long Learning

Responsible for the delivery of all the current educational, pre-five and life long learning agendas.

Head of Social Care & Health Improvement

Responsible for the provision of the all the current social and personal care functions together with the health improvement agenda and working with the new CHPs.

Head of Planning & Estates

Responsible for of all the council's statutory planning, estates and building control functions.

Head of Infrastructure & Waste Management

Responsibility for all transport, roads, lighting & architectural services and waste management, development and recycling functions.

Head of Facilities Management

Responsibility for all leisure facilities, community education centres, halls & council buildings including grounds maintenance.

Head of Housing

Self contained department responsible for the letting, enforcement, development and maintenance of council owned housing stock. Including rents and benefits)

Head of Legal, Licensing & Enforcement

The post will have all current legal, licensing, Enforcement, environmental service, trading standards, committee & general administration functions.

Head of Economic Development, Tourism, Culture & Sport.

Responsible for strategic development of economic, tourism & culture agendas in partnership working with external tourism and economic development organisations.
