### **APPLICATION FOR REVIEW: DC11/213**

Review papers were submitted for Planning Application DC11/213 - Proposed erection of balcony on rear elevation and installation of chimney at 6 Fraser Avenue, Dumbarton.

The Planning Adviser advised the Committee that the matter brought before the Local Review Body (LRB) related to a planning application submitted by Mr and Mrs Johnston. The Planning Adviser was then heard in relation to the background and current position with regard to the matter and the Review documents and photographs of the site were considered by the LRB.

Prior to the determination of the Review, the Chair, Councillor McAllister, thanked the Planning Adviser and invited the LRB to comment on whether they considered they had sufficient information to enable them to determine the review. Following discussion, Members indicated that they had sufficient information in this respect.

The LRB considered that Policies GD1 & H5 of the West Dunbartonshire Local Plan were relevant to the proposal. These policies seek to safeguard the character and amenity of existing residential areas and set out criteria for the assessment of development proposals within residential areas.

Having heard the Chair and having considered all of the information before them, the LRB were of the opinion that the proposal was acceptable in terms of Policy H5 and that planning permission should be granted. Accordingly, the LRB agreed to reverse the determination of the appointed officer and to grant planning permission subject to the recommended conditions, as detailed in Appendix 1 hereto.

The Chair, Councillor McAllister, then confirmed that a decision notice to this effect would be sent to the applicant's representative.

The meeting closed at 2.10 p.m.
