### Report by the Director of Community Health & Care Partnership

**Subject: West Dunbartonshire CHCP Organisational Performance Review – Mid-Year Feedback 2013/14**

#### **1. Purpose**

- 1.1** The purpose of this report is to bring to the Committee's attention the feedback received from the Chief Executives of NHSGGC and West Dunbartonshire Council following the CHCP's mid-year Organisational Performance Review in October 2012.

#### **2. Recommendations**

- 2.1** The CHCP Committee are asked to note this report.

#### **3. Background**

- 3.1** Organisational Performance Reviews (OPR) are held every six months with each organisational entity within NHS Greater Glasgow and Clyde (NHSGGC); and represent key performance management milestones for each CHP/CHCP.
- 3.2** As Committee will recall, the West Dunbartonshire CHCP OPR is a joint process in relation to the totality of NHS Health Board and Council responsibilities. It is co-chaired by the Chief Executives of NHSGGC and West Dunbartonshire Council.

#### **4. Main Issues**

- 4.1** The performance information scrutinised during this OPR was as per the CHCP Mid-Year Performance Review Report separately presented and considered by the CHCP Committee at its subsequent November 2013 meeting.
- 4.2** Following a very constructive and in-depth review session in October 2012, the CHCP Director received a formal and positive feedback letter in January 2013 – Appendix 1 (broadly reinforcing the encouraging reception that Committee will recall it gave to the Mid-Year Performance Review Report at its previous meeting).
- 4.3** The OPR feedback has been considered by the CHCP Senior Management Team, with all of the areas identified for on-going action addressed within the current CHCP Strategic Plan 2013/14 (as approved by the CHCP Committee); and also being taken into consideration through the process of drafting the CHCP Strategic Plan 2014/15.
