Head of Housing and Property Services  
West Dunbartonshire Council  
Housing and Technical Services Department  
Garshake Road  
Dumbarton  
G82 3PU

Your Ref:

Our Ref: 54633/1086/390/DS

Date: 01 February 2007

**SUBJECT TO CONTRACT & PLANNING**

Dear Mr McKerracher,

**54633 – Mountblow House Flats**  
**Proposed Rooftop T-Mobile Installation**

I refer to your email dated 21<sup>st</sup> December 2006.

Please be advised that our Consultation Letter was issued to all 32 residents on the 3<sup>rd</sup> January 2007 with the request to be returned by the 31<sup>st</sup> January 2007. Of the 32 Consultation letters sent out we received a response from 15 residents, 47 per cent. Of those 15, 5 did not object to either the survey of the rooftop for suitability or the siting of the base station on the roof. We did however receive 10 objections to both. Please find enclosed a copy of the responses received for your review.

Given the response I have assumed that West Dunbartonshire Council do not wish to progress this matter any further however I would be grateful if you could confirm in writing.

Yours sincerely

**Deborah Smith**  
Acquisition Surveyor
