Corporate Services Committee held on 31 January 2007*

**GRANTS TO VOLUNTARY ORGANISATIONS AND COMMUNITY
GROUPS – UPDATE TO CURRENT PROCEDURES**

A report was submitted by the Chief Executive recommending new procedures to be introduced in respect of grants to voluntary organisations and community groups.

Having heard the Convener, Councillor Devine, the Committee agreed to continue this report until a future meeting of the Committee to allow for it to be referred to the Community Participation Committee and other relevant organisations for consultation.
