Following full discussion and having heard officers in answer to Members' questions, Councillor McColl moved that:-

Committee agrees that this year's pay-out will be set at £15 per person.

Committee instructs officers to pay out funds to groups at the above rate for those individuals who have indicated that their payment is to go to a specific group of their choice.

Committee further instructs officers to work with groups to ensure that no group is unable to operate due to members not assigning their £15 to them. To this end, Committee delegates authority to officers, in consultation with the Spokesperson, to approve grants as required in order to meet the needs of groups.

In the case of the Dumbarton Senior Citizens' group, which is an umbrella group for a number of Dumbarton groups who will be receiving their own funding directly from the Council this year, Committee instructs that officers should facilitate applications to the Dumbarton Common Good Fund to allow the group's 2011/12 program of events to take place.

If interim funding is required for their Christmas event, officers are given delegated authority, in consultation with the Spokesperson, to grant funding for this event from the Dumbarton Common Good Fund.

Committee also instructs officers to pay out £15 to individual applicants after appropriate checks have taken place.

Councillor McBride asked Councillor McColl if he would be willing to accept the undernoted addendums to the motion:-

Paragraph 3 – add - *and report such approvals to Council.*

Paragraph 4 – add - *but in the interim remove the current contribution allocated to the fund from the Dumbarton Common Good Fund and allocate it to the Dumbarton Senior Citizens' group.*
