Vale of Leven – 1st Tuesday of every second month   North Clydebank – 1st Thursday of every second month

Dumbarton – 1st Wednesday of every second month   *South Clydebank – 3rd Thursday of every second month*

Aim of changing date – to allow a composite report on the findings of all Area Committees each cycle to be reported through CDCC to Council within the month.

Some proposed alternative dates for South Clydebank

1.   last Thursday of every second month (starting Sept).

2.   first Monday of every second month NB When this is a public holiday – move meeting to second Monday

3.   second Thursday of every second month

Note: the dates shown for CDCC are indicative only. They have not been submitted to CDCC for consideration or approval. The best timing for CDCC would be one week before the issue of papers for Council.

It should be noted that, even if the date of the South Clydebank meeting is changed to one of the above options, it will not always be possible to meet the deadlines for a CDCC meeting before the Council meeting that month.
