A report was submitted by the Acting Director of Housing, Regeneration and Environmental Services (Land & Environmental Services) providing an update on the progress of the Heritage Lottery Fund Application for Dalmuir Park, Clydebank.

Councillor Casey, seconded by Councillor Calvert, moved:-

This Council agrees to progress the Stage 1 application to the Heritage Lottery Fund for improvement works to Dalmuir Park.

In addition to restoring the park's cultural and historic features, Council agrees that the improvement works should include the provision of public toilets for the users of the park.

Council agrees that the proposed improvement works will make a positive contribution to a socially and economically deprived area and attract new visitors to the park.

The Acting Director of Housing, Regeneration and Environmental Services (Land and Environmental Services), in consultation with the Chief Executive and the Head of Finance, will ensure that the Council's contribution is provided using Prudential Borrowing in the 2008/09 budget.

As an amendment, Councillor McLaughlin, seconded by Councillor McColl, moved:-

That the Committee requests that officers look at the possibility of establishing a Community Trust to take forward proposals relating to the Stage 1 application to the Heritage Lottery Fund.

On a vote being taken, 4 Members voted for the amendment and 4 for the motion. There being an equality of voting, the Convener exercised his casting vote in favour of the motion which was accordingly declared carried.
