

WEST DUNBARTONSHIRE COUNCIL

Report by the Executive Director of Corporate Services

Corporate and Efficient Governance Committee – 16 February 2011

Subject: Grant Applications

1. Purpose

- 1.1 The purpose of this report is to provide Committee with an update on grants to voluntary organisations from the Trust Fund and Dumbarton Common Good budgets.

2. Background

- 2.1 Community Chest grants are administered by the West Dunbartonshire Community Volunteer Service (CVS) and are reported to Committee at the year end.
- 2.2 The Council continues to administer grants for Strategic Partner identification, Community Councils, Dumbarton Common Good and Trust Funds and the Elderly Welfare Christmas payout.
- 2.3 The Dumbarton Common Good budget was approved at Committee on 24 March 2010, with grant funding agreed for a number of organisations at that time.

3. Main Issues

Community Council Applications

- 3.1 An application has been received for funding. Amount due is based upon the lower amount requested or the formula set by the Scottish Government. Details are shown in Appendix A and Members should note £222 is due to be paid.

4. People Implications

- 4.1 There are no people implications.

5. Financial Implications

- 5.1 The amount due to be paid to the Community Councils per 3.1 is £222.

6. Risk Analysis

- 6.1** The Council must consider financial and reputational risks when considering grant applications. The financial risk is not only that the Council and Common Good Fund remain within budget, but also that the voluntary organisation is in a long term viable position. Organisations funded by the Council and the Common Good Fund must also comply with conditions of grant which cover issues such as discrimination, health and safety, insurance, etc.

7. Equalities Impact

- 7.1** No significant issues were identified in a screening for potential equality impact of this report

8. Conclusions and Recommendations

- 8.1** The grant shown in Appendix A is due to be paid following officer's assessment of financial need and favourable impact to residents within the Council area. The Committee is asked to note the grant awarded.
