After discussion and having heard the Executive Director of Educational Services and relevant officers in further explanation and in answer to Members' questions, the Sub-Committee agreed:-

- (1) to note that a working group was already in existence, involving officers and consultants working on behalf of the Council but engaged by Clydebank Rebuilt, who have been looking at the wider issues including the notion of creating a Civic Heart around the Town Hall as part of the waterfront regeneration proposals; and

- (2) that in view of (1) above, to request that a report be brought back to the next meeting of the Sub-Committee to ascertain the remit and terms of reference of the working group already in existence, in order to avoid duplication of effort and to keep Members fully apprised of developments in this regard.

After discussion and having heard the Section Head – Events and Halls and relevant officers in elaboration and in answer to Members' questions, the Sub-Committee agreed:-

- (1) not to proceed with the proposal for an evening ceilidh and a range of children's daytime events for this year, due to the short timescale involved in making appropriate arrangements; and
- (2) that planning for an event of this nature be discussed further at the next meeting of the Sub-Committee, which was expected to be held in late August/early September 2009.

HOME COMING SCOTLAND 2009 – EVENTSCOTLAND FUNDING

A report was submitted by the Executive Director of Housing, Environmental and Economic Development advising of a further round of grant assistance which had been made available by the Scottish Government through EventScotland to local authorities for St. Andrew's day 2009 events.
