**Report by the Divisional Commander, Police Scotland****CPWD Management Board: 4 November 2020**

---

**Subject: Police Scrutiny – Quarter 1 2020/21 Report****1. Purpose**

- 1.1 The purpose of this item is to provide members of the CPWD Management Board with an update on Quarter 1 2020/21 performance against the Local Police Plan

**2. Recommendations**

- 2.1 It is recommended that the Management Board note the update given on progress against the Local Police Plan.

**3. Background**

- 3.1 As part of the Police & Fire Reform (Scotland) Act 2013 new arrangements were put in place for local scrutiny and engagement. These arrangements place a requirement on Local Authorities to scrutinise local police and fire and rescue services. In West Dunbartonshire, as with many Local Authorities, a decision was taken to transfer this accountability to the Community Planning Partnership.

**4. Main Issues**

- 4.1 The report attached details performance against the Local Police Plan for 2020-23, covering the period April – June 2020. The content focuses on performance against the local police priorities; Violent Crime, Acquisitive Crime, Public Protection, Serious Organised Crime and Road Safety. The lock down response to the COVID-19 pandemic was significant during quarter 1 and this is clearly reflected in these early figures. While recovery from the pandemic is coordinated through the Scottish Government Route map Police Scotland continues to respond to restrictions as required but remains committed to delivering against local policing plans.
- 4.2 The report is provided for the noting and consideration by the CPWD Management Board.

**5. People Implications**

- 5.1 There are no personnel issues.
