Report by Chief Executive

Council: 27 August 2008

Subject: Corporate Plan 2005/9 – Annual Progress Report 2007/8

2. Background

- 2.1 The Council's strategic planning and budget process requires the corporate plan to be reviewed at the year end and performance reported to all stakeholders. 3. Main Issues

- 3.1 The draft annual progress report is set out at Appendix 1. Once approved, it will be published in booklet format and distributed to those on the corporate plan distribution list and published on the intranet and internet.

4. Personnel Issues

- 4.1 There are no personnel issues.

5. Financial Implications

- 5.1 The printing and distribution costs of the Annual Progress Report 2007/8 will be met from an existing budget.

6. Risk Analysis

- 6.1 By failing to agree the Annual Progress Report 2007/8 for printing and publication, the Council may not fulfil its public performance reporting commitments set out in its annual statement.

7. Recommendations

- 7.1** Members of the Council are invited to review and agree the Annual Progress Report 2007/8 for printing and distribution.
