3 Background

- 3.1** In line with the Strategic Planning & Performance Framework, each Chief Officer develops an annual Delivery Plan which sets out actions to help deliver the Strategic Plan and address the performance challenges and service priorities identified in the planning process. The Plan also provides an overview of services and resources, including employees and budgets, sets out the performance indicators (PIs) for monitoring progress and considers the relevant risks.
- 3.2** Following the local government election in May 2022, a new five-year Strategic Plan was developed in consultation with stakeholders and submitted to Council for approval in October. This sets out the Council's priorities, objectives and key PIs, providing clear direction for the development of the first set of annual delivery plans, of which the Housing and Employability Delivery Plan is one of eight.
- 3.3** The implementation of this Plan will be monitored by the management team with interim progress reported to Housing and Communities Committee in February 2023 and year-end progress in May 2023.
