Generated on: 24 January 2020

SR 001				
	SR 001 Significant financial funding reductions from Scottish Government	Current Risk Matrix	Current Rating	Last Review Date
Description	The Council is faced with significant ongoing funding reductions from the Scottish Government. Austerity is expected to continue for a number of years into the future and likely to result in funding reductions. This coincides with a period where costs are expected to rise in relation to Social Care due to aging population and capped powers to raise funds through Council Tax.		12	23-Dec-2019
Potential Effect	Shortfall in finances and therefore the Council is unable to provide all services as intended.		4	31-Mar-2022
Measures of Impact	<ul style="list-style-type: none"> - Reduction in government grant - Demographic change (population decline/growth, aging population) - Savings required including cutting level and/or quality of service provision - Increased Debt (collection of Council Tax, HRA rents, etc) 	Latest Note	Risk assessed and view remains as before - that there remains a high likelihood of significant funding reductions from the Scottish Government. This assessment is based on the recently reported Long Term Finance Strategy and the lack of future funding announcements from both UK and Scottish Governments. The Impact has been assessed and remains at Significant, as it is expected that whilst the potential value is high that the Council will require to manage any such funding reductions.	
Risk Factors	<ul style="list-style-type: none"> - Level of government grant - Lack of time to plan for changes in the level of grant funding - Welfare reform - General inflationary factors - Significant additional burdens - Capital receipts 			
Internal Controls	<ul style="list-style-type: none"> - 10 year Financial Strategy subject to regular review - Monitor and maintain General Services and Housing Revenue Account prudential targets - Reporting and monitoring of Treasury Management Strategy - Budgetary control process - Regular budgetary control and savings monitoring reports provided to CMT and Council / committees - Rigorous debt collection processes - Annual Internal Audit Plan - Work of External Auditors (external control) - Annual Governance Statement - Procurement Improvement Plan 	Managed By	Stephen West	
		Assigned To	Gillian McNeilly	
Progress of Linked Actions				
Risk Opportunity	<ul style="list-style-type: none"> - Annual exercise to identify efficiencies - Projects to implement new ways of working (e.g. commercialisation, asset management) - Enhance the reputation of the Council as an organisation which manages its finances soundly 			

SR 002 Failure to implement broad-ranging school improvement to raise attainment and achievement				
		Current Risk Matrix	Current Rating	Last Review Date
				
Description	This risk concerns the delivery of excellence and equity for our young people to support them to attain and achieve at the highest level. In particular, it is aimed at bridging the attainment gap and breaking the cycle of disadvantage. This also includes the focus on intervention at early years to improve life chances at all points on the learning journey. A key driver is the Council's participation in the Scottish Attainment Challenge which will be delivered over 4-years from 2015. Year 3 commenced in April 2017 and will bring together the work streams to deliver a self-improving school system programme.		6	14-Jan-2020
		Target Risk Matrix	Target Rating	Target Date
Potential Effect	The national expectation for education would not be delivered. Improved outcomes for young people would not be attained and achieved. The Council would fail to meet the needs of individual learners. The Service would fail to bridge the attainment gap and break the cycle of disadvantage. The Council would fail in its legal duty for the education of young people within West Dunbartonshire. There would be reputational damage to the service and the wider Council. There would be a lack of income generation from external funding sources.		1	31-Mar-2022
Measures of Impact	Examination results - HMIE inspection reports - validation reports - stakeholder feedback - local learning community attainment data - control group model - small test of change model - risk matrix model - bespoke model of intervention for young people and families at early stages to improve on attendance/lateness; social and emotional health; supports for mental health issues; parenting/behaviour management skills and early linguistic & cognitive development - pre/post intervention assessment - increased expectation of raising attainment being the responsibility of all - school to school collaboration with locally initiated bottom-up enquiry - higher level of STEM subject uptake in secondary schools - increased numbers of learners entering STEM related career pathways - standardised literacy and numeracy tests	Latest Note	We continue to maintain progress over time with ACEL. In P1, S3 and S4 attainment levels are maintained. In P4 and P7 improvements in numeracy and literacy have been very strong in comparison to 2016. Analysis of 2018/2019 data against national performance will be conducted in January 2020 following publication of ACEL data in December 2019.	
Risk Factors	Staff resources - adequate funding for projects - workforce development - effective leadership - accurate and timely data collection - accurate and timely reporting - effective communication with partners and external agencies			
Internal Controls	Raising Attainment Strategy Project management by Service Manager Raising Attainment Project Board (led by Chief Education Officer) Termly progress reports submitted as part of Educational Service committee reports Relevant CPD programme to support education staff Meetings between WDC and Education Scotland/HMIE BGE Attainment and Performance Data School Improvement Literacy, Numeracy and HWB Steering Group National Improvement Framework (NIF)	Managed By	Laura Mason	
		Assigned To	Julie McGrogan	
Progress of Linked Actions	E/1920DP/02DEI Develop and Deliver Educational Improvement Across West Dunbartonshire		<input type="text" value="37%"/>	Andrew Brown; Julie McGrogan
Risk Opportunity	Improved attainment - improved attendance - reduced exclusions - reduced violent incidents - reduction requirement for targeted support over time - reduction requirement for specialist placements over time - improved learning & community engagement - children/pupils at risk identified earlier and more effectively - more empowered community providing self-sustaining peer support - increase in the percentage and range of positive destinations over time			

	SR 003 Councils Assets	Current Risk Matrix	Current Rating	Last Review Date
Description	Risk: That the Council's assets and facilities are not fully fit for purpose with consequent adverse impact on our ability to deliver efficient and effective services. Assets included in this assessment are; the Council's property portfolio, housing stock, roads and lighting, fleet and open space	 Likelihood Impact	4	15-Jan-2020
Potential Effect	<ul style="list-style-type: none"> - Assets are not utilised in the most effective and efficient manner - Service cannot be properly delivered to the satisfaction of service users - Service users seek alternative service provision -Increase in reactive maintenance costs -Roads assets in poor conditions -Assets fail to meet relevant standards 	 Likelihood Impact	4	31-Mar-2022
Measures of Impact	<ul style="list-style-type: none"> - Condition surveys - Suitability surveys - Road Condition SPI - Customer perceptions of service delivery - Investment levels in upkeep and improvement of asset base and facilities -Staff satisfaction -Operating costs and savings 	Latest Note	The managers responsible for Council Assets have reviewed this risk in relation to current asset condition and the score at present should remain unchanged. Ongoing investment and control measures remain in place with appropriate asset management plans. Cautionary note that this risk may increase should there be a lack of maintenance and investment funds as this will have an impact on asset conditions and their suitability to meet the standards expected.	
Risk Factors	<ul style="list-style-type: none"> - Adequacy of funding available to improve asset base - Adequacy of staff resources allocated to the area of asset management - Council buildings deemed to be unfit for existing purpose - Economic conditions may reduce level of potential capital receipts from surplus property sales -Over one third of the road network is in need of repair and the current long term capital funding only sustains a steady state condition of the road network - Increased public liability claims due to poor condition of roads network 			
Internal Controls	<ul style="list-style-type: none"> - Corporate Asset Management Strategy - Schools Estate Strategy - Capital Investment Team - Existence of Asset Management Group with meetings held on a regular basis - Property Asset Management Plan - HRA Capital Investment Programme - Capital plan - Roads and Lighting Asset Implementation Plan - Fleet Asset Implementation - Open Space Asset Implementation Plan - Detailed asset database that shows relevant information on a property by property basis - Sustainability Policy - Housing Improvement Board - Housing Improvement Plan - Housing Asset Management Strategy 	Managed By	Richard Cairns	
		Assigned To	Craig Jardine; Michelle Lynn; Gail Macfarlane; Jim McAloon; Alan Young	
Progress of Linked Actions	Regen/1920/AM/01 Review the Strategic Plan for the regeneration of the remaining schools estate including the production of a new Schools Estate Management Plan.		75%	Jim McAloon
	Regen/1920/AM/03 Deliver the allocated General Services investment programme projects for 2019/20		80%	Jim McAloon
	Regen/1920/HAI/02 Deliver the HRA Capital Investment programme for 2019/20.		60%	Jim McAloon
Risk Opportunity	<ul style="list-style-type: none"> -Enhance reputation of Council by being able to improve Council -Estate, assets and service delivery (e.g. new school buildings, operational building upgrades, office and depot rationalisation projects, housing investment programme to meet SHQS/ESSH, 			

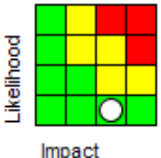

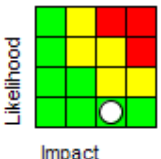

roads upgrade programme, vehicle replacement programme, greenspace upgrade projects)

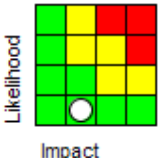

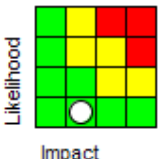

- Enhance employee "feel good" factor by providing modern office accommodation equipped with up to date IT facilities
- Secure external funding for development of assets (e.g. EC, lottery, Historic and Environment Scotland)
- Prioritised Building Upgrade Plan
- The continued implementation of the energy efficient street lighting project will both improve the asset and reduce costs significantly through reduced maintenance, energy Consumption and carbon output.
- The effect of these energy efficiencies has demonstrated that significant savings and environmental benefit can be achieved through the utilisation of developing technology.
