West Dunbartonshire Council has taken the lead in local initiatives on environmental aspects of travel. As the area's principal employer we are looking into starting an innovative staff travel plan called 'The Commuter Plan'. The aim of the plan will be to reduce significantly levels of pollution and congestion in our urban areas. The proposed plan will also provide encouragement to staff to lead a healthier lifestyle whilst in many cases saving money.

At this early stage, the plan is by no means finalised and is open to suggestions from staff. We are very interested in your comments, and attach a Staff Travel Survey, which not only seeks information about your current work-related journeys but also asks for your input to contribute towards the successful implementation of the plan. We are also looking for an imaginative and catchy name for the Commuter Plan and your suggestions are welcome. There is space on the survey for suggestions.

If you wish further information, please contact Angus Bodie, Manager of Roads (ideally by email). We will publish more information on the Plan and the results of the survey on the Council's intranet later in the year.

Please complete and submit the survey by Friday 30 June 2006.

You can submit your response using your pre addressed envelope.

All replies will be entered into a draw for 6 months' Cosmopolitan leisure membership.
