Friends of Levensgrove Park	The Friends of Levensgrove are a group of volunteers who carry out work, activities and events in Levensgrove Park. We work in partnership with WDC and the Health and Social Care Partnership in delivering activities and events both indoor and outdoors in our Park to improve the health and wellbeing of people of all ages and abilities in our community.	£19,800	We will use the grant to establish the Levensgrove Cycle without Age Project. This project is targeted specifically to our elderly community members who are unable to access Levensgrove Park due to their age, disability, ill health or social isolation. This project will be delivered by volunteers who will cycle our elderly community members around the Park in a safe, all weather, custom made Tri-Shaw. The impact of this project will be far reaching, enabling people to go outdoors and be more active, less isolated and will serve our participants with a very high standard of social experience. The benefits to the participants and volunteers physical, emotional and mental health and well-being will be considerable. In addition, it will enable volunteers of all ages to connect with elderly people and learn new lifelong skills and experiences	Total cost is £19,800 Group contribution: £0 Recommendation: £19,800
