

WEST DUNBARTONSHIRE COUNCIL
Report by the Strategic Lead Resources
Corporate Services Committee – 13 November 2019

**Subject: Corporate Services Budgetary Control Report to 30 September 2019
(Period 6)**

1. Purpose

1.1 The purpose of this report is to advise the Committee on the performance of the Corporate Services budget for the period to 30 September 2019.

2. Recommendations

2.1 Members are asked to:

- i) note that the revenue account currently shows a projected annual favourable variance of £0.045m (0.22% of the total budget); and
- ii) note that the capital account is showing a projected in-year overspend of £0.228m due to expenditure in 2019/20 being accelerated by £0.247m and current year project underspends of £0.019m due to two projects being completed under budget. The project life projection is therefore showing a favourable variance of £0.019m.

3. Background

Revenue

Capital

- 3.2 At the meeting of Council on 27 March 2019, Members also agreed the updated 10 year General Services Capital Plan. The three years from 2019/20 to 2021/22 have been approved in detail with the remaining seven years from 2022/23 to 2028/29 being indicative at this stage.

4. Main Issues

Revenue

- 4.1 The summary report at Appendix 1 identifies a projected annual favourable variance (underspend) of £0.045m (0.22% of the total budget). Detailed service reports are attached as Appendix 2.
- 4.2 There are two projected annual variances in excess of £0.050m. Notes on these variances are highlighted and noted within Appendix 3, with additional information on action being taken to minimise or mitigate overspends where possible.
- 4.3 Although the report indicates that expenditure is favourable in comparison to that anticipated during the budget exercise, the present variance should be viewed in the knowledge that there are a number of variable factors which could arise between now and 31 March and which could affect the year end results.
- 4.4 Agreed management adjustments for 2019/20 are monitored with current indications showing that of the total target being monitored (£0.498m), all actions are currently on target to be achieved (see Appendix 4).

Capital

- 4.4.1 Appendices 5 and 6 highlights a project as showing an in-year overspend and two projects showing an in-year underspend. The overall Corporate Services programme summary report at Appendix 5 shows that there is a projected £0.019m underspend.

5. Option Appraisal

- 5.1 No option appraisal was required for this report.

6. People Implications

- 6.1 There are no people implications.

7. Financial and Procurement Implications

- 7.1 Other than the financial position noted above, there are no financial or procurement implications from this budgetary control report.

8. Risk Analysis

- 8.1** The main financial risks to the ongoing financial position relate to unforeseen costs being identified between now and the end of the financial year. This can affect all service areas

9. Equalities Impact Assessment (EIA)

- 9.1** No equalities impact assessment was required in relation to this report.

10. Consultation

- 10.1** All services involved in delivering the revenue and capital budgets have been consulted in the compilation of this report.
