Part 3 - Annexes

The Annexes form an important part of the document and include:

Annex A: How to use this document – this annex sets out information on: the purpose of planning; the role of the National Planning Framework; the plan-led approach; and information on the structure and purpose of the document itself.

Annex B: National Developments Statements of Need – this annex sets out the statement of need and additional information in relation to the eighteen National Developments.

Annex C: Spatial Planning Priorities – this annex provides greater details on regional spatial priorities to guide the preparation of Regional Spatial Strategies and Local Development Plans

Annex D: Six Qualities of Successful Place – this Annex sets matters to be considered when taking account of the six qualities of successful place. These qualities are: Healthy; Pleasant; Connected; Distinctive; Sustainable; and Adaptable.

Annex E: Minimum All-Tenure Housing Land Requirement (MATHLR) – The MATHLR is the minimum amount of land, by reference to the number of units, that is to be provided by each planning authority for a 10 year period. The MATHLR is expected to be exceeded in each Local Development Plan's Housing Land Requirement. The MATHLR for the West Dunbartonshire planning authority is 2,100. This means that the next Local Development Plan for West Dunbartonshire will need to identify land for a minimum of 2,100 units for its 10 year timeframe.

Annex F: Glossary of definitions – this Annex provides an extensive explanation of terms used within NPF4.

Annex G: Acronyms – this Annex explains the acronyms used in NPF4.
